

Come
back.
Come
back!

andfather

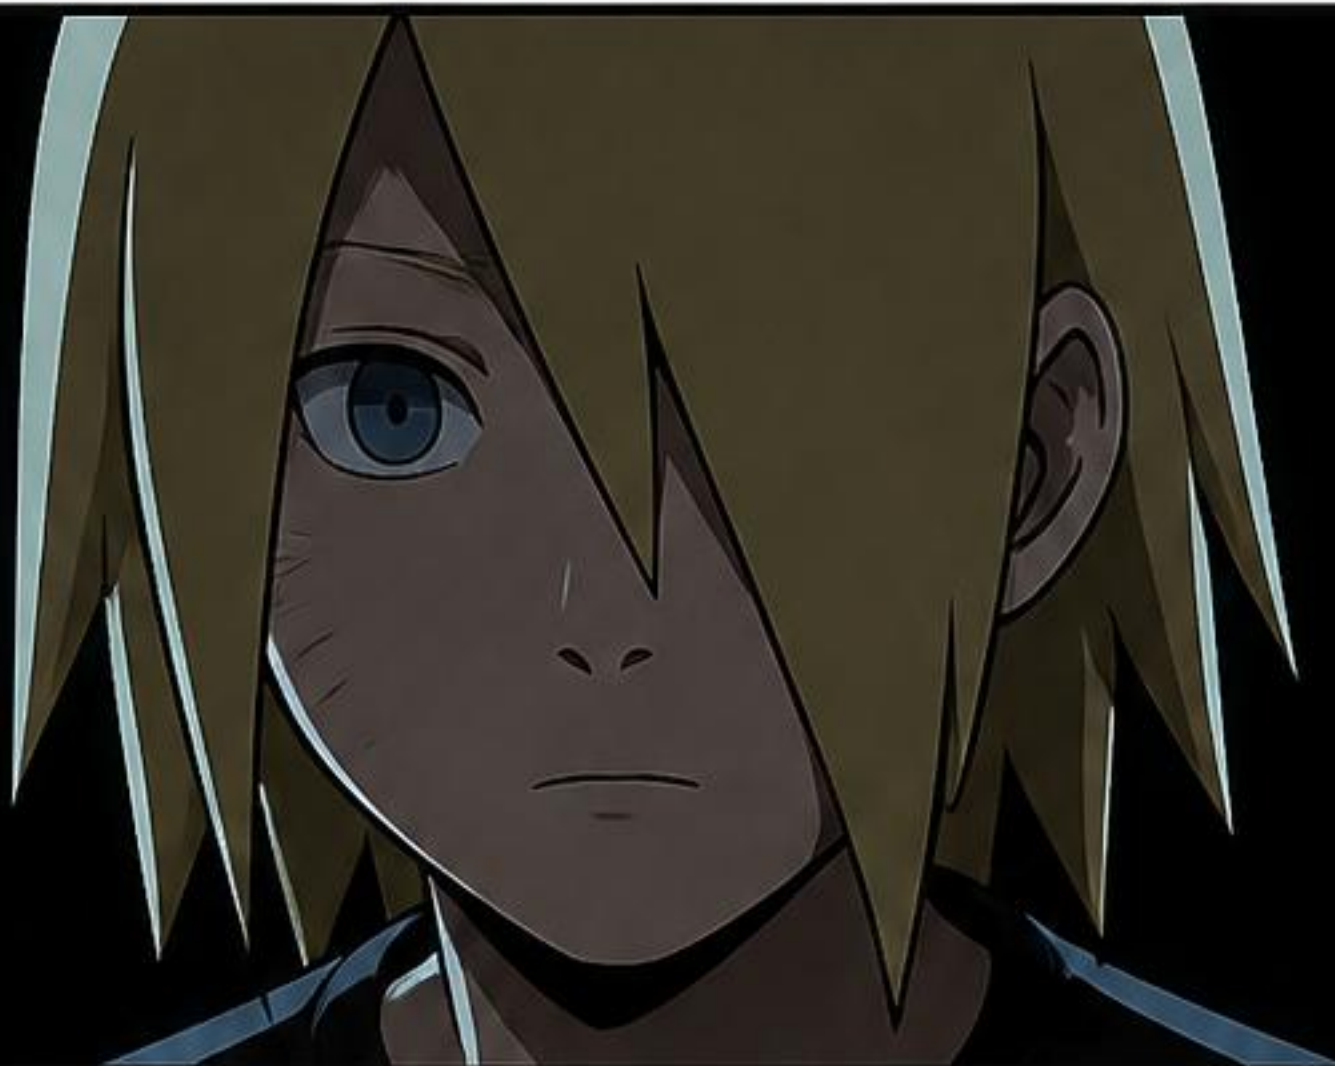

He was going to die soon regardless. Either he died on his own and left you as you are - or he died by your hand and left you with the Mangekyou.

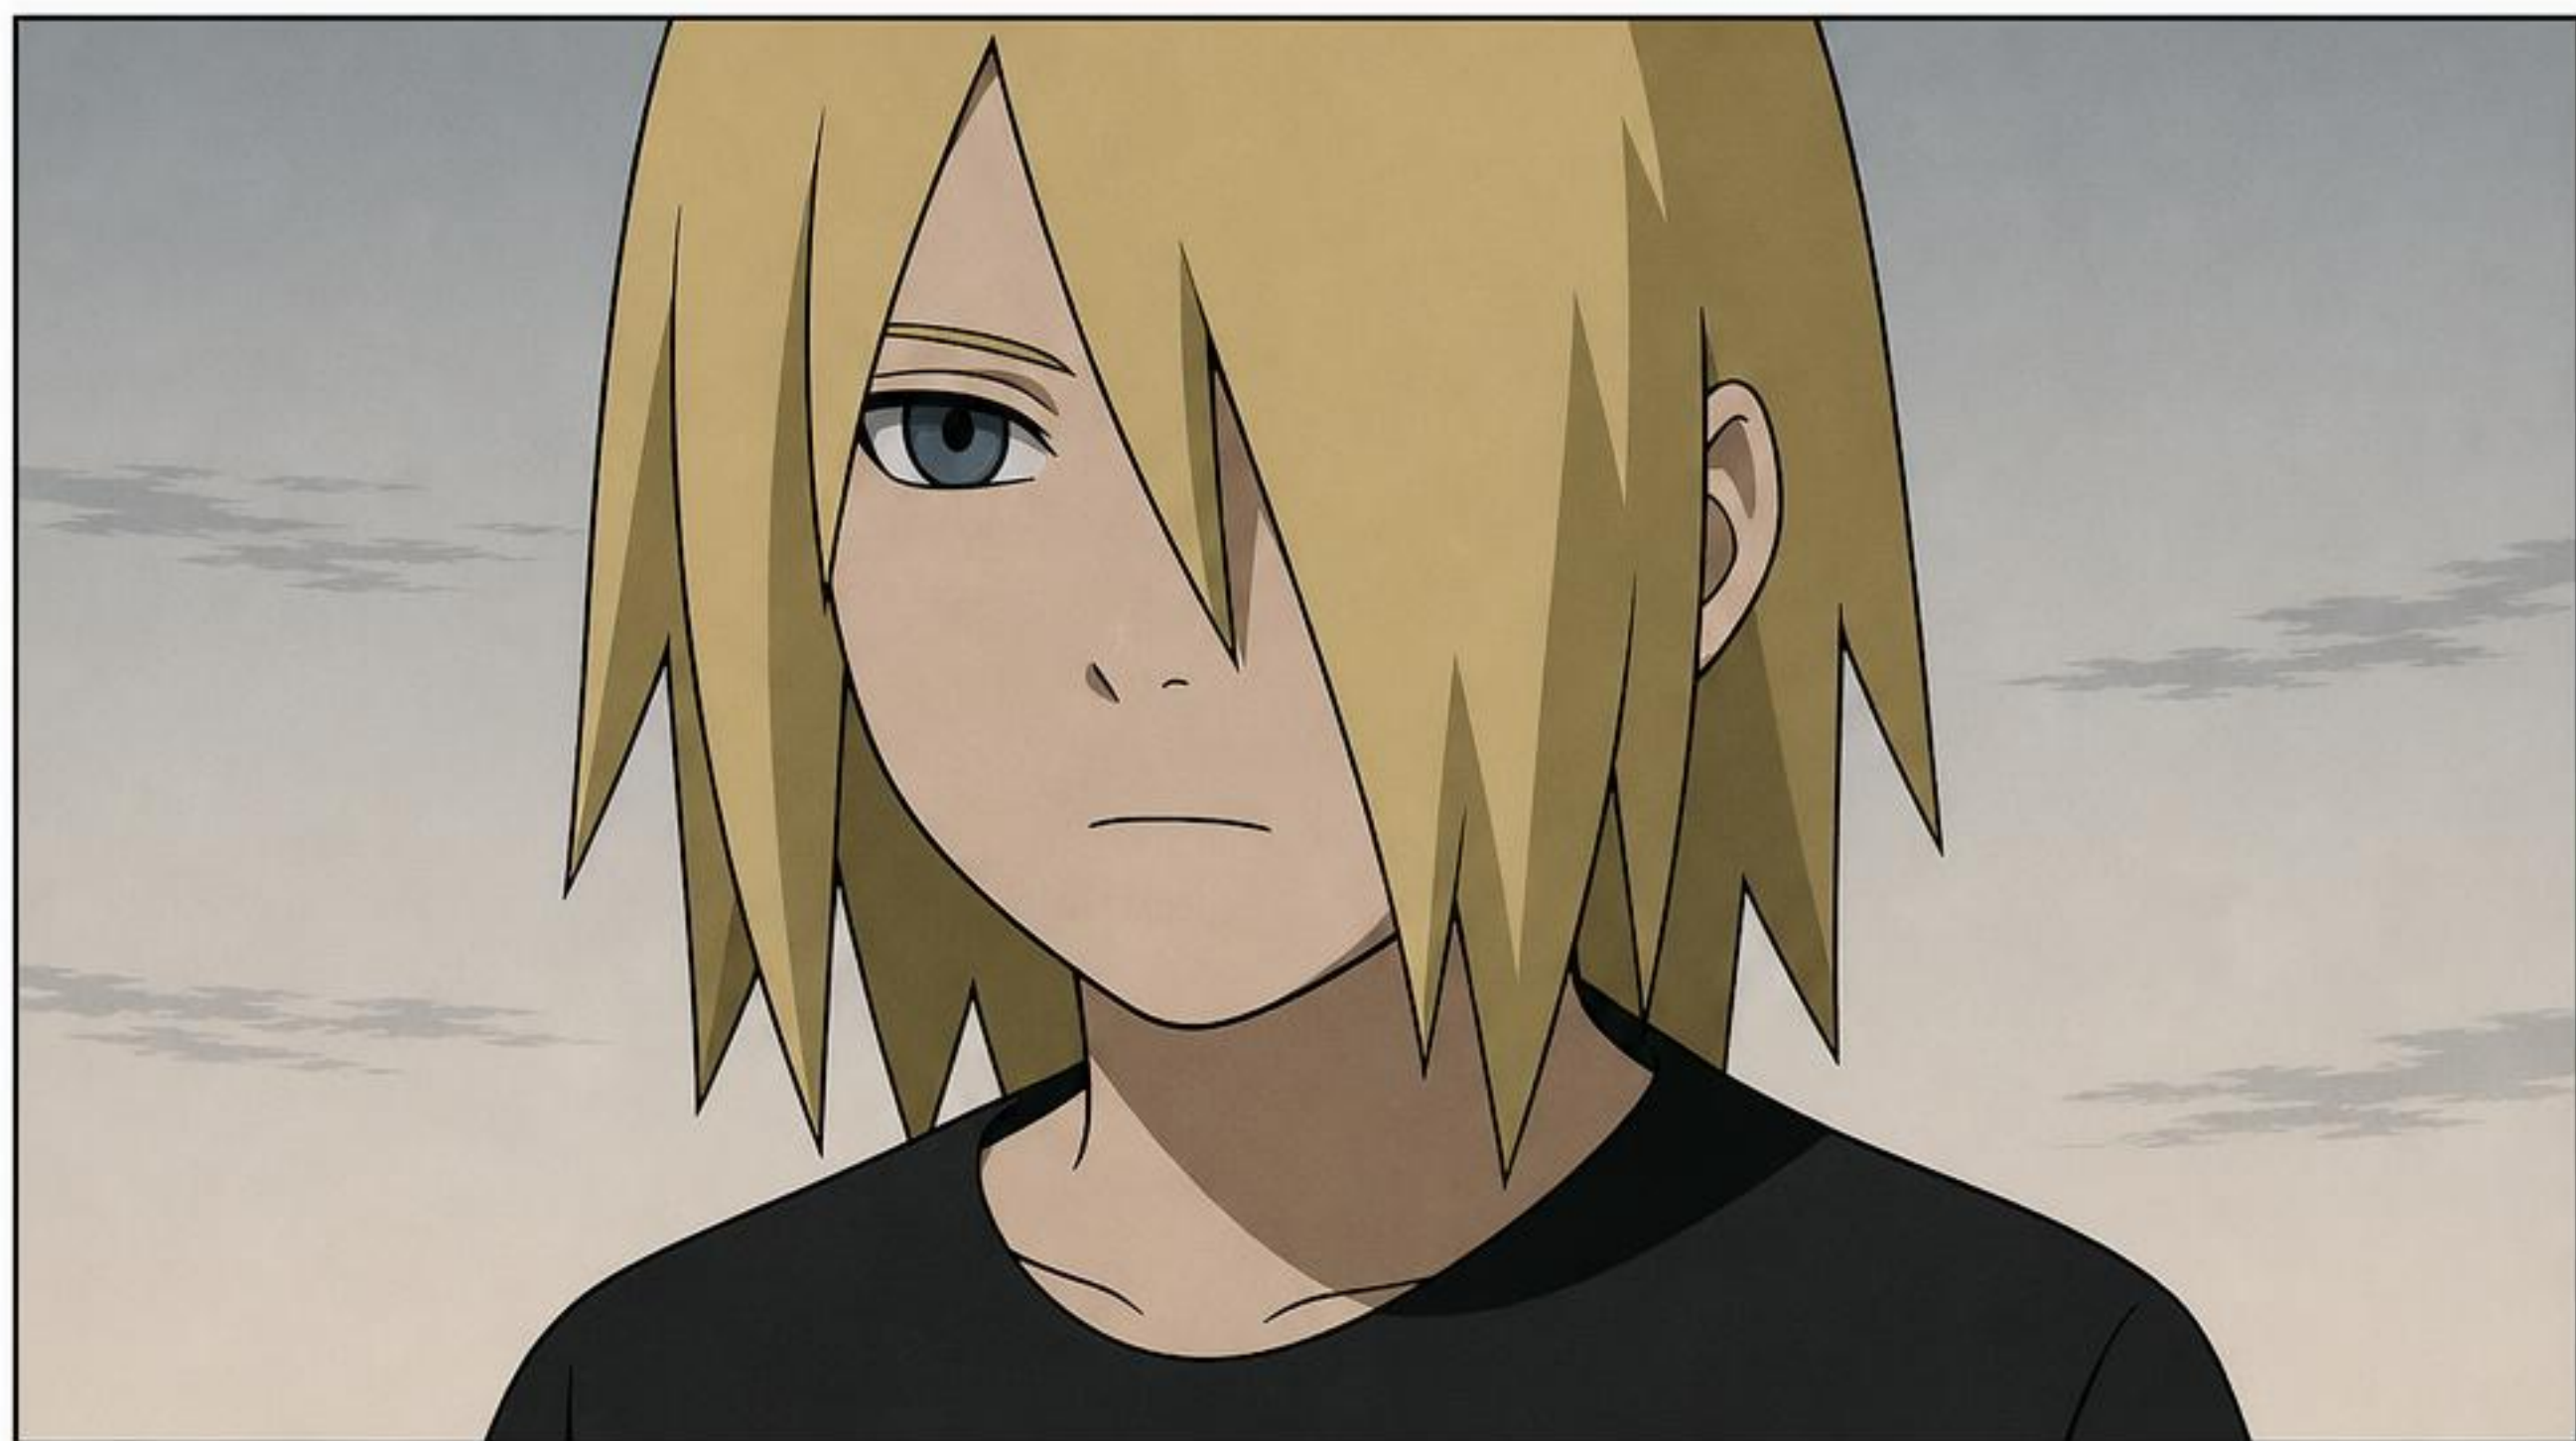

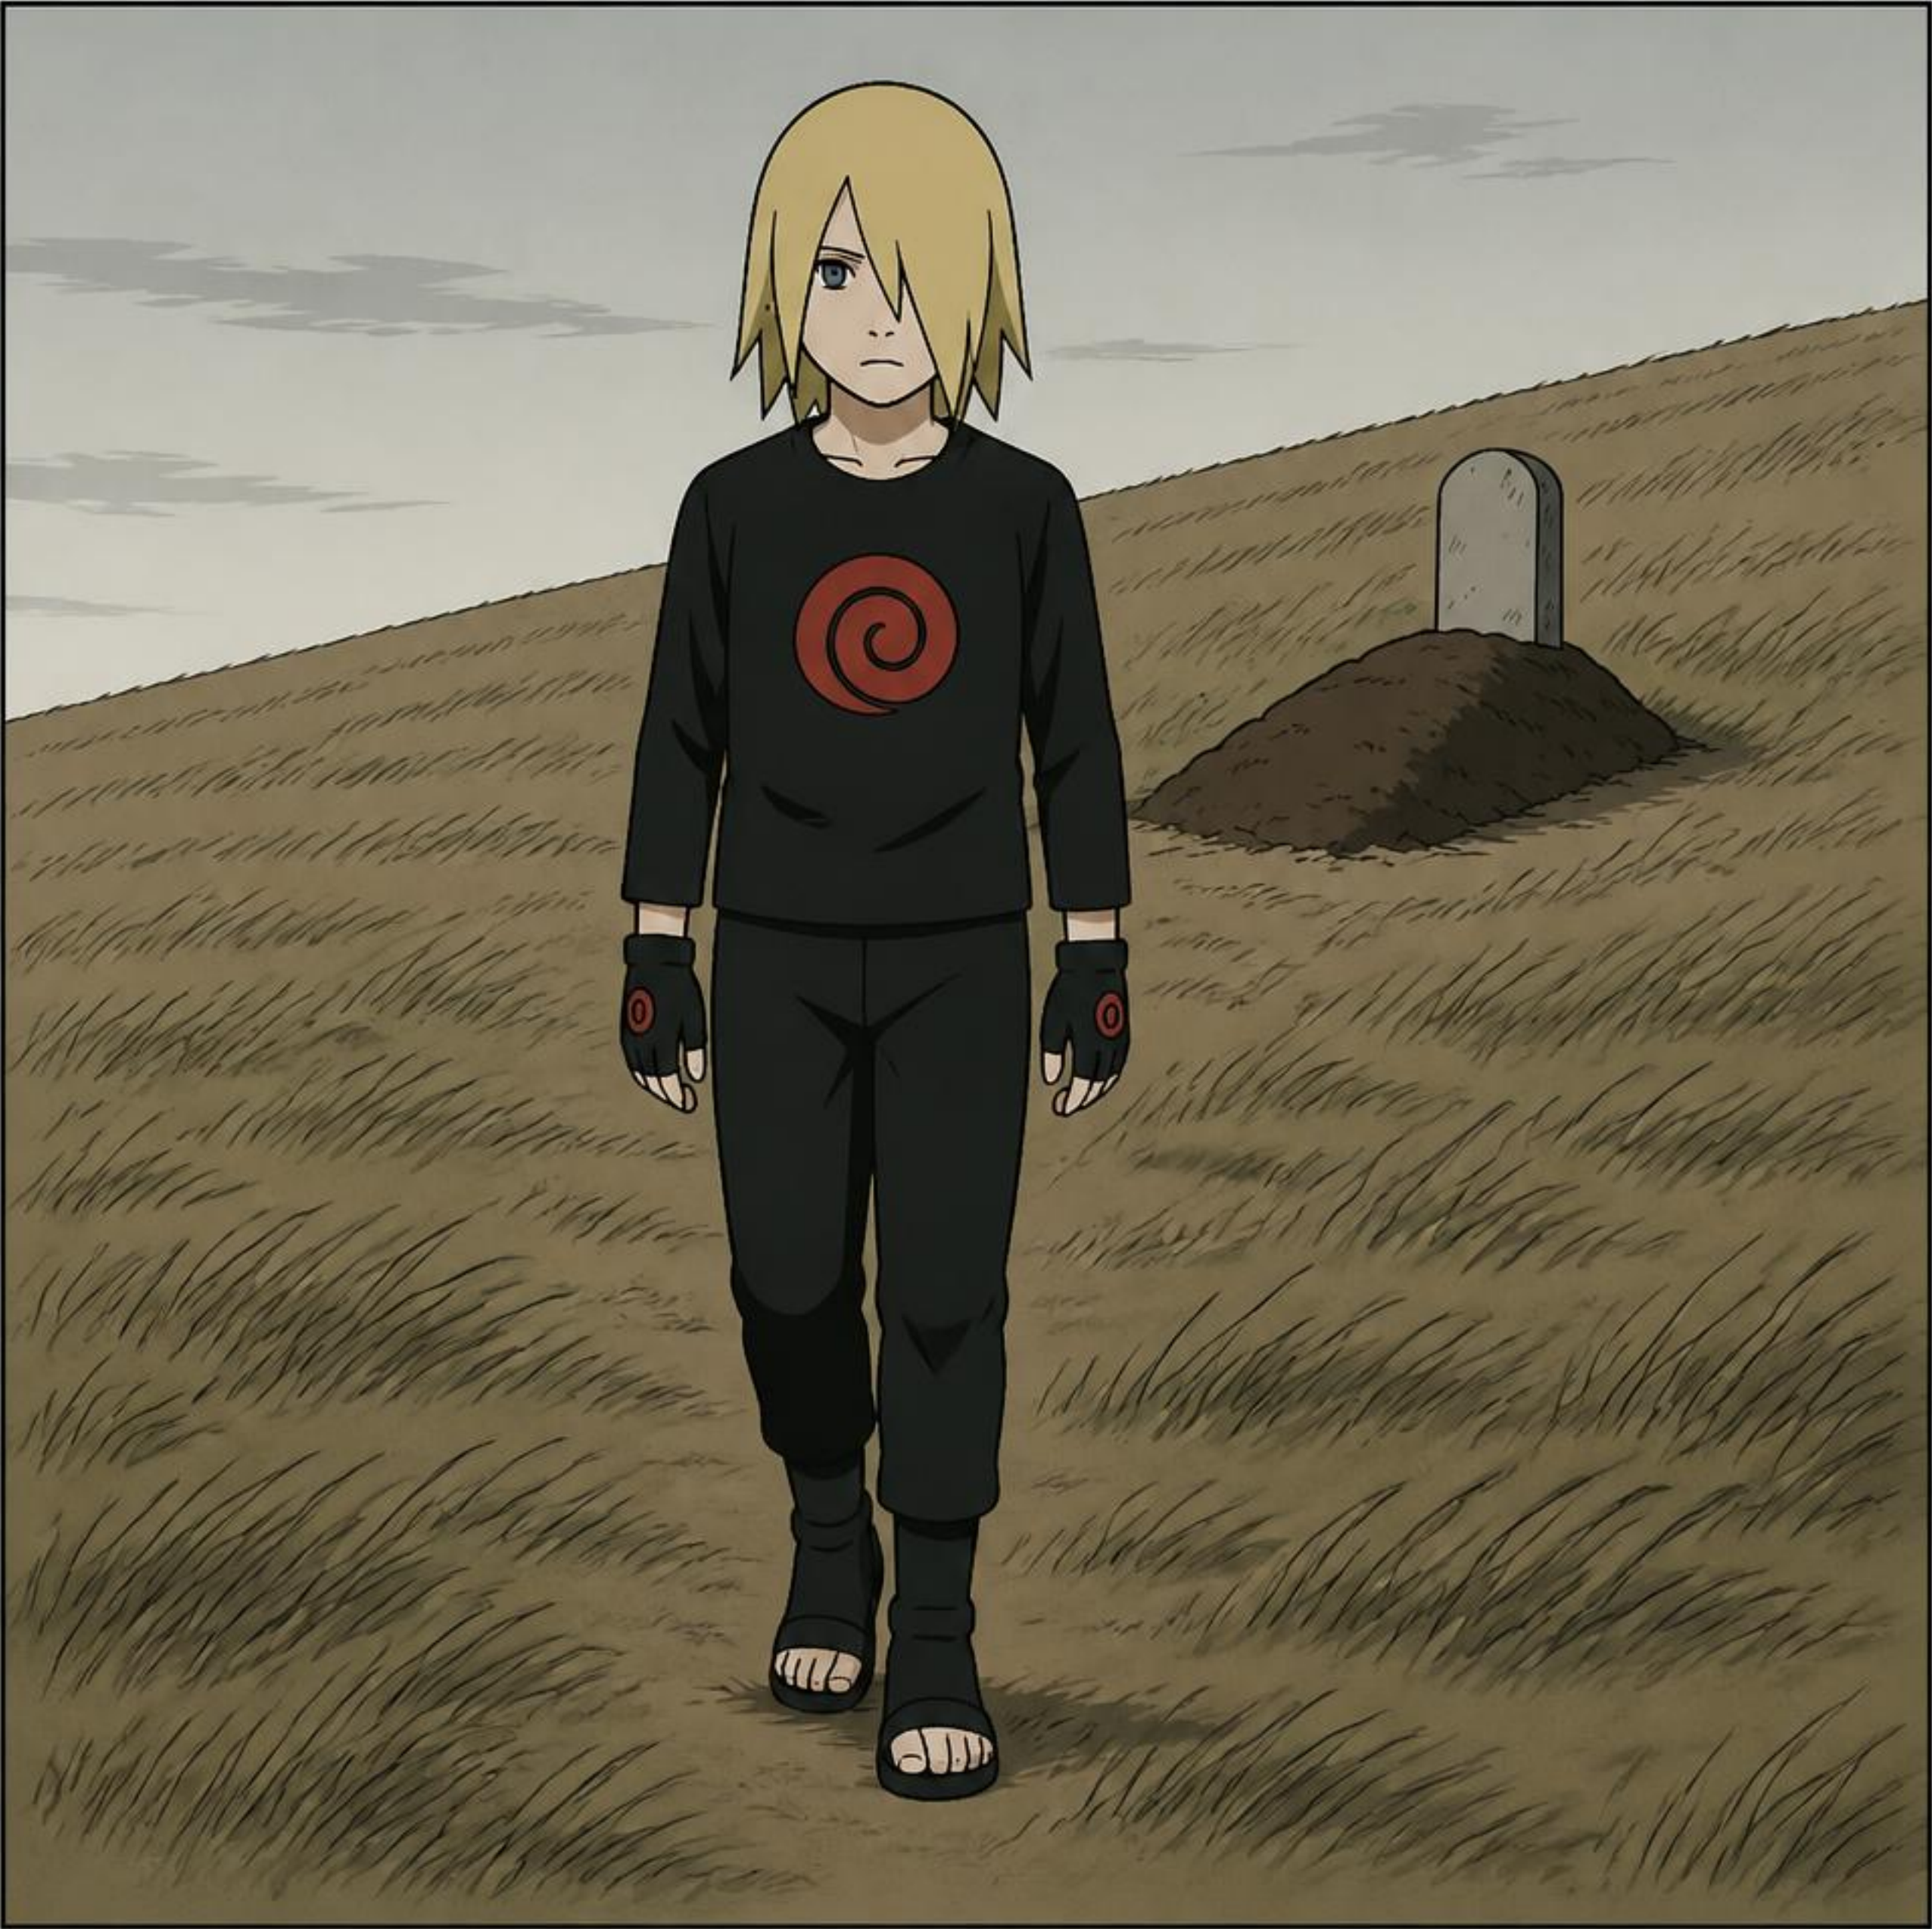

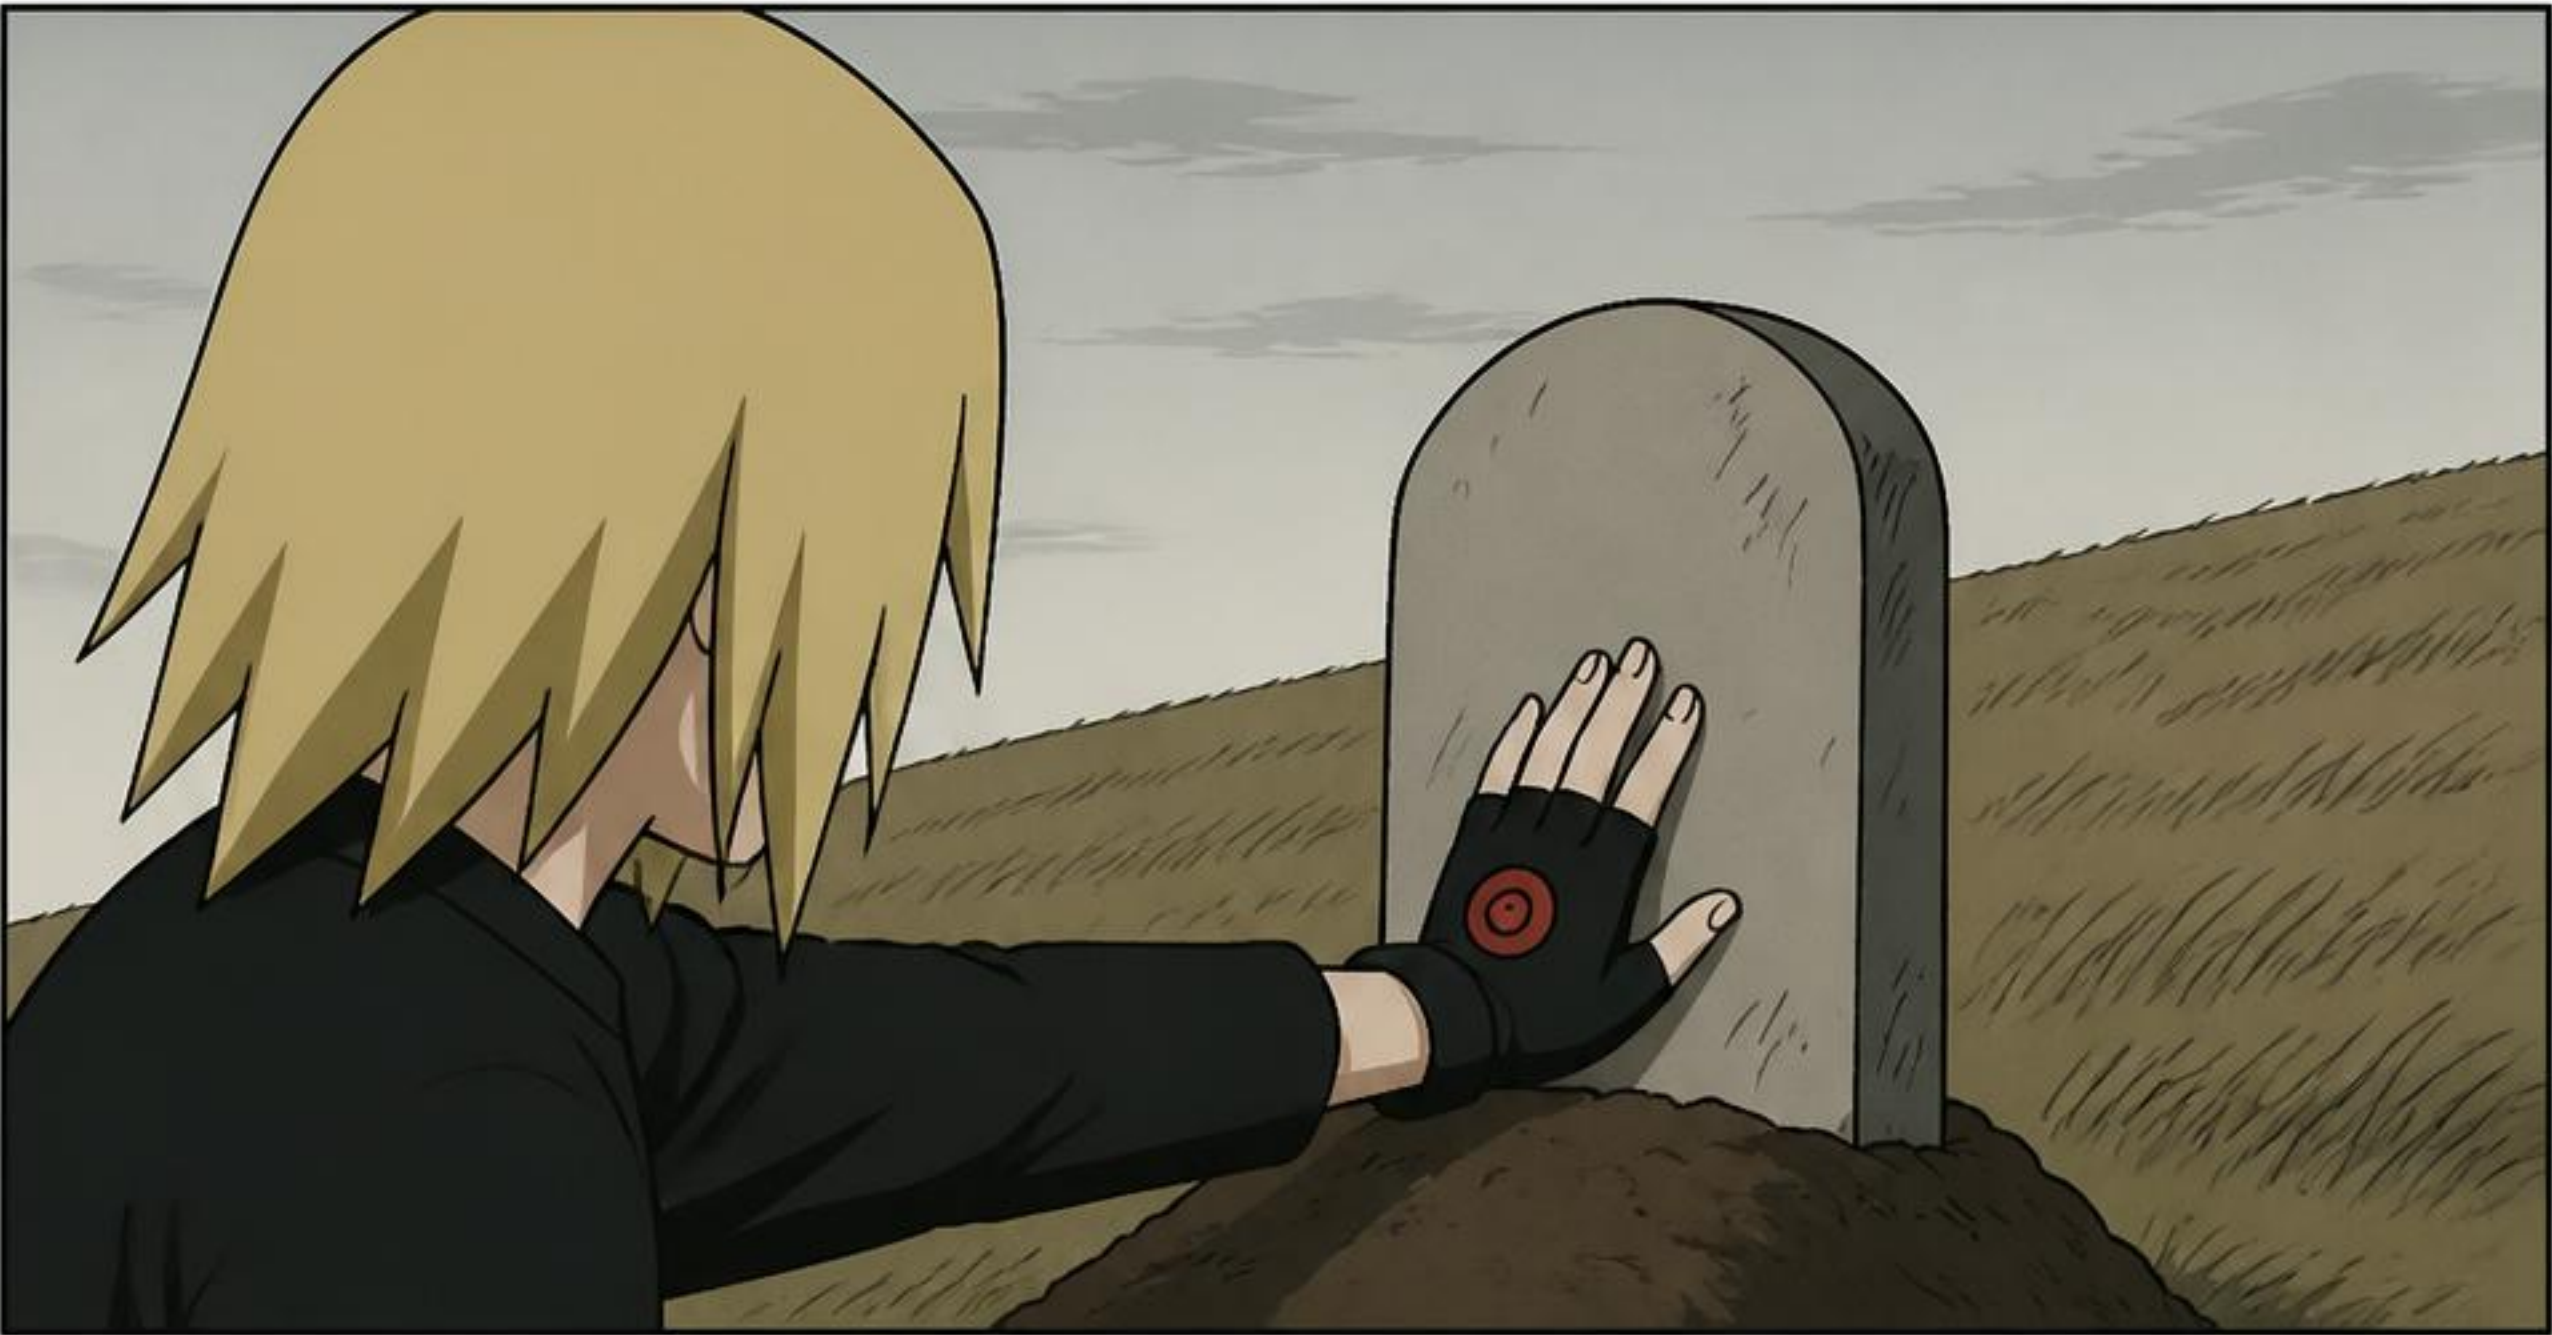

He said it was the greatest power he could leave you.

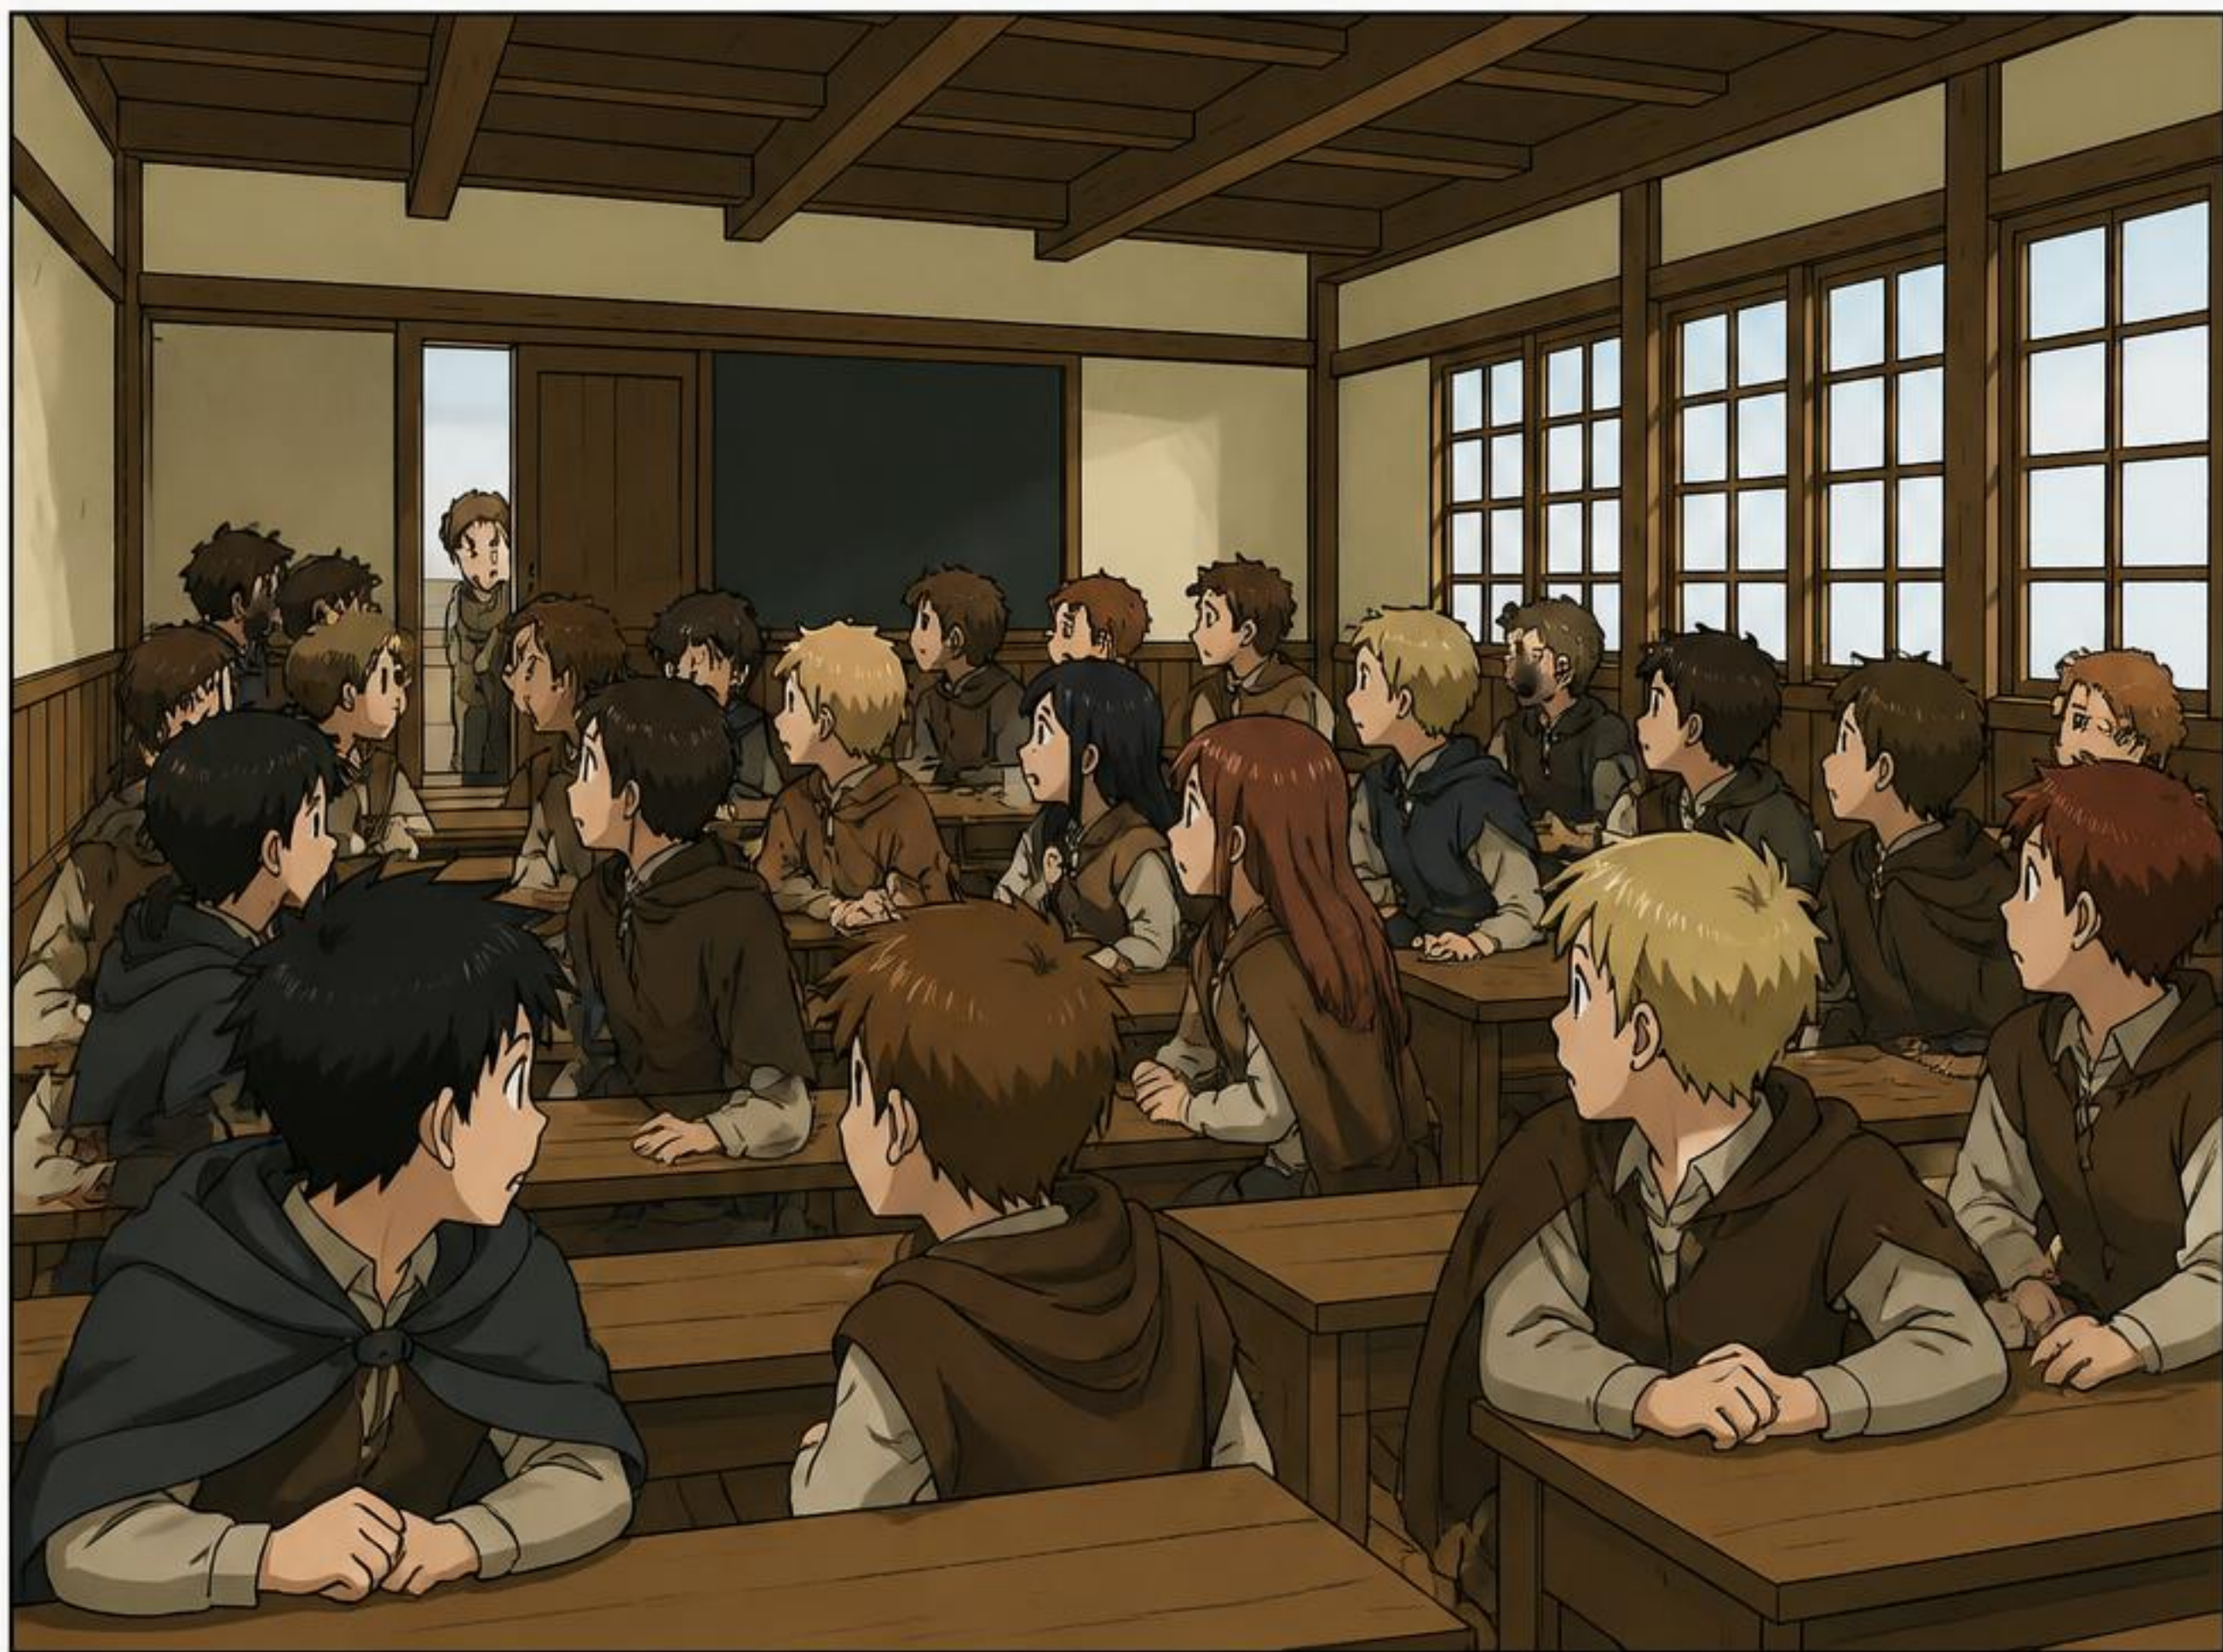

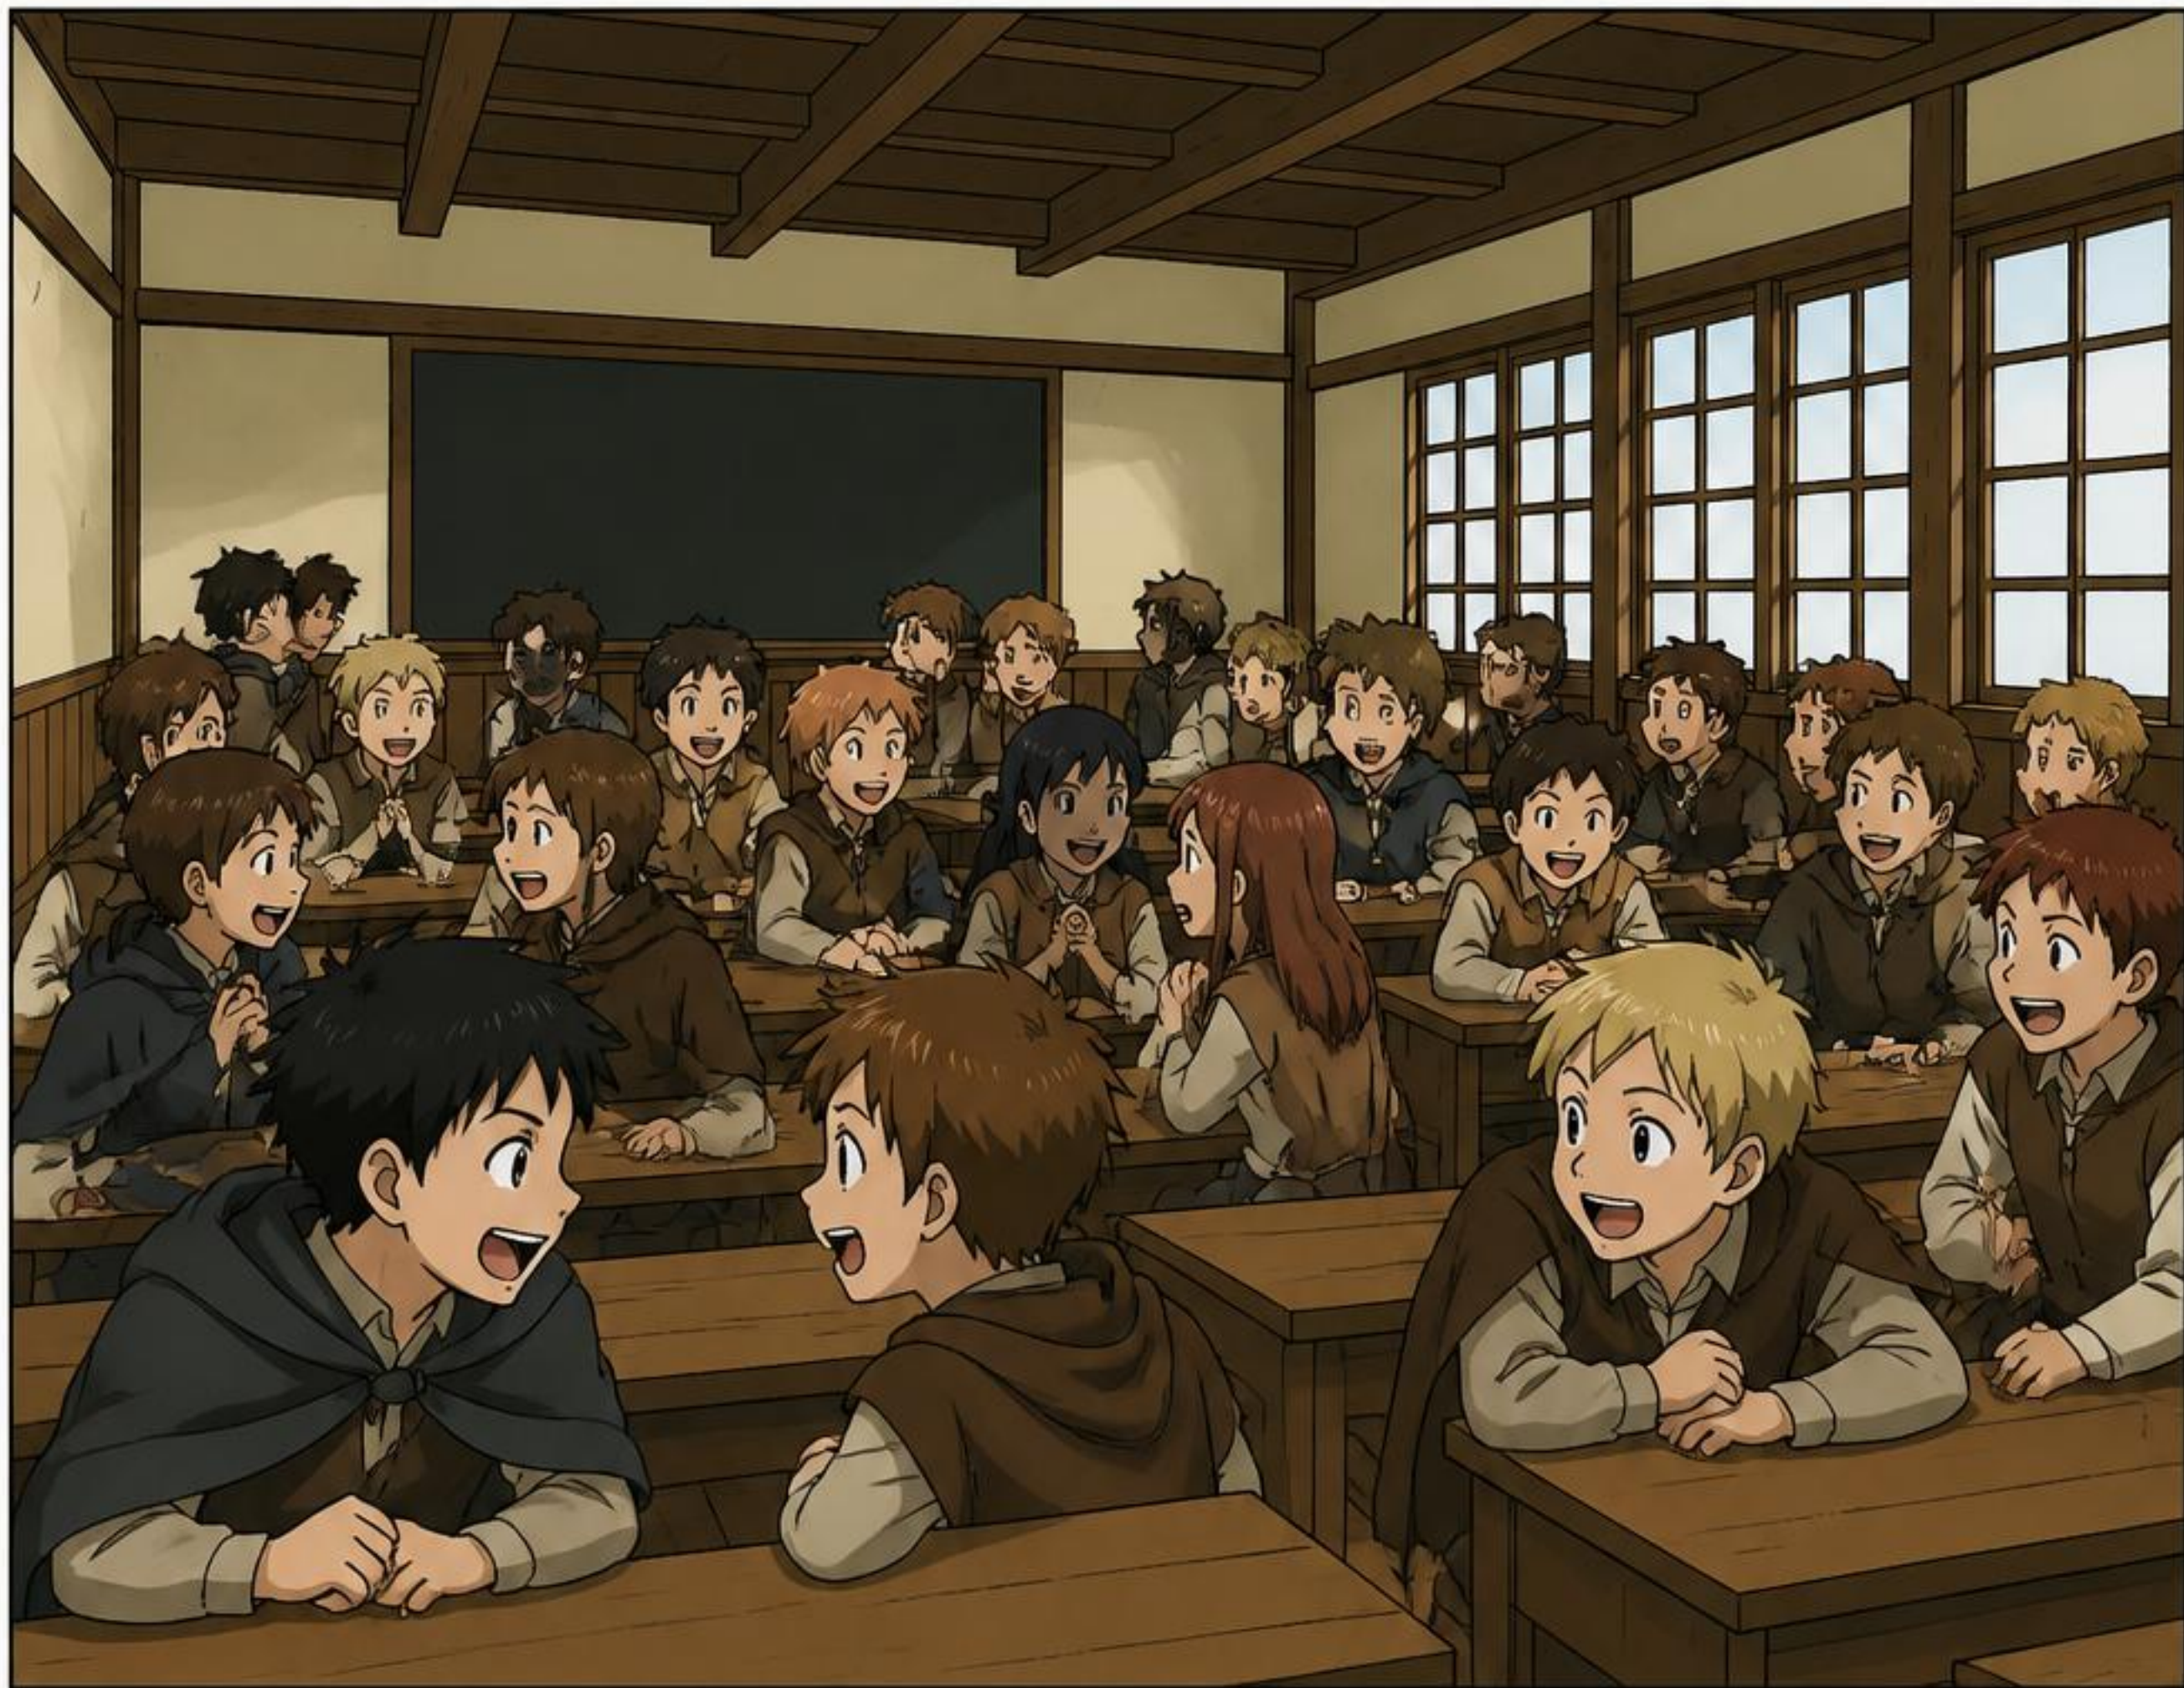

Your grandfather would be disappointed to see you like this. I should know. I am his will.

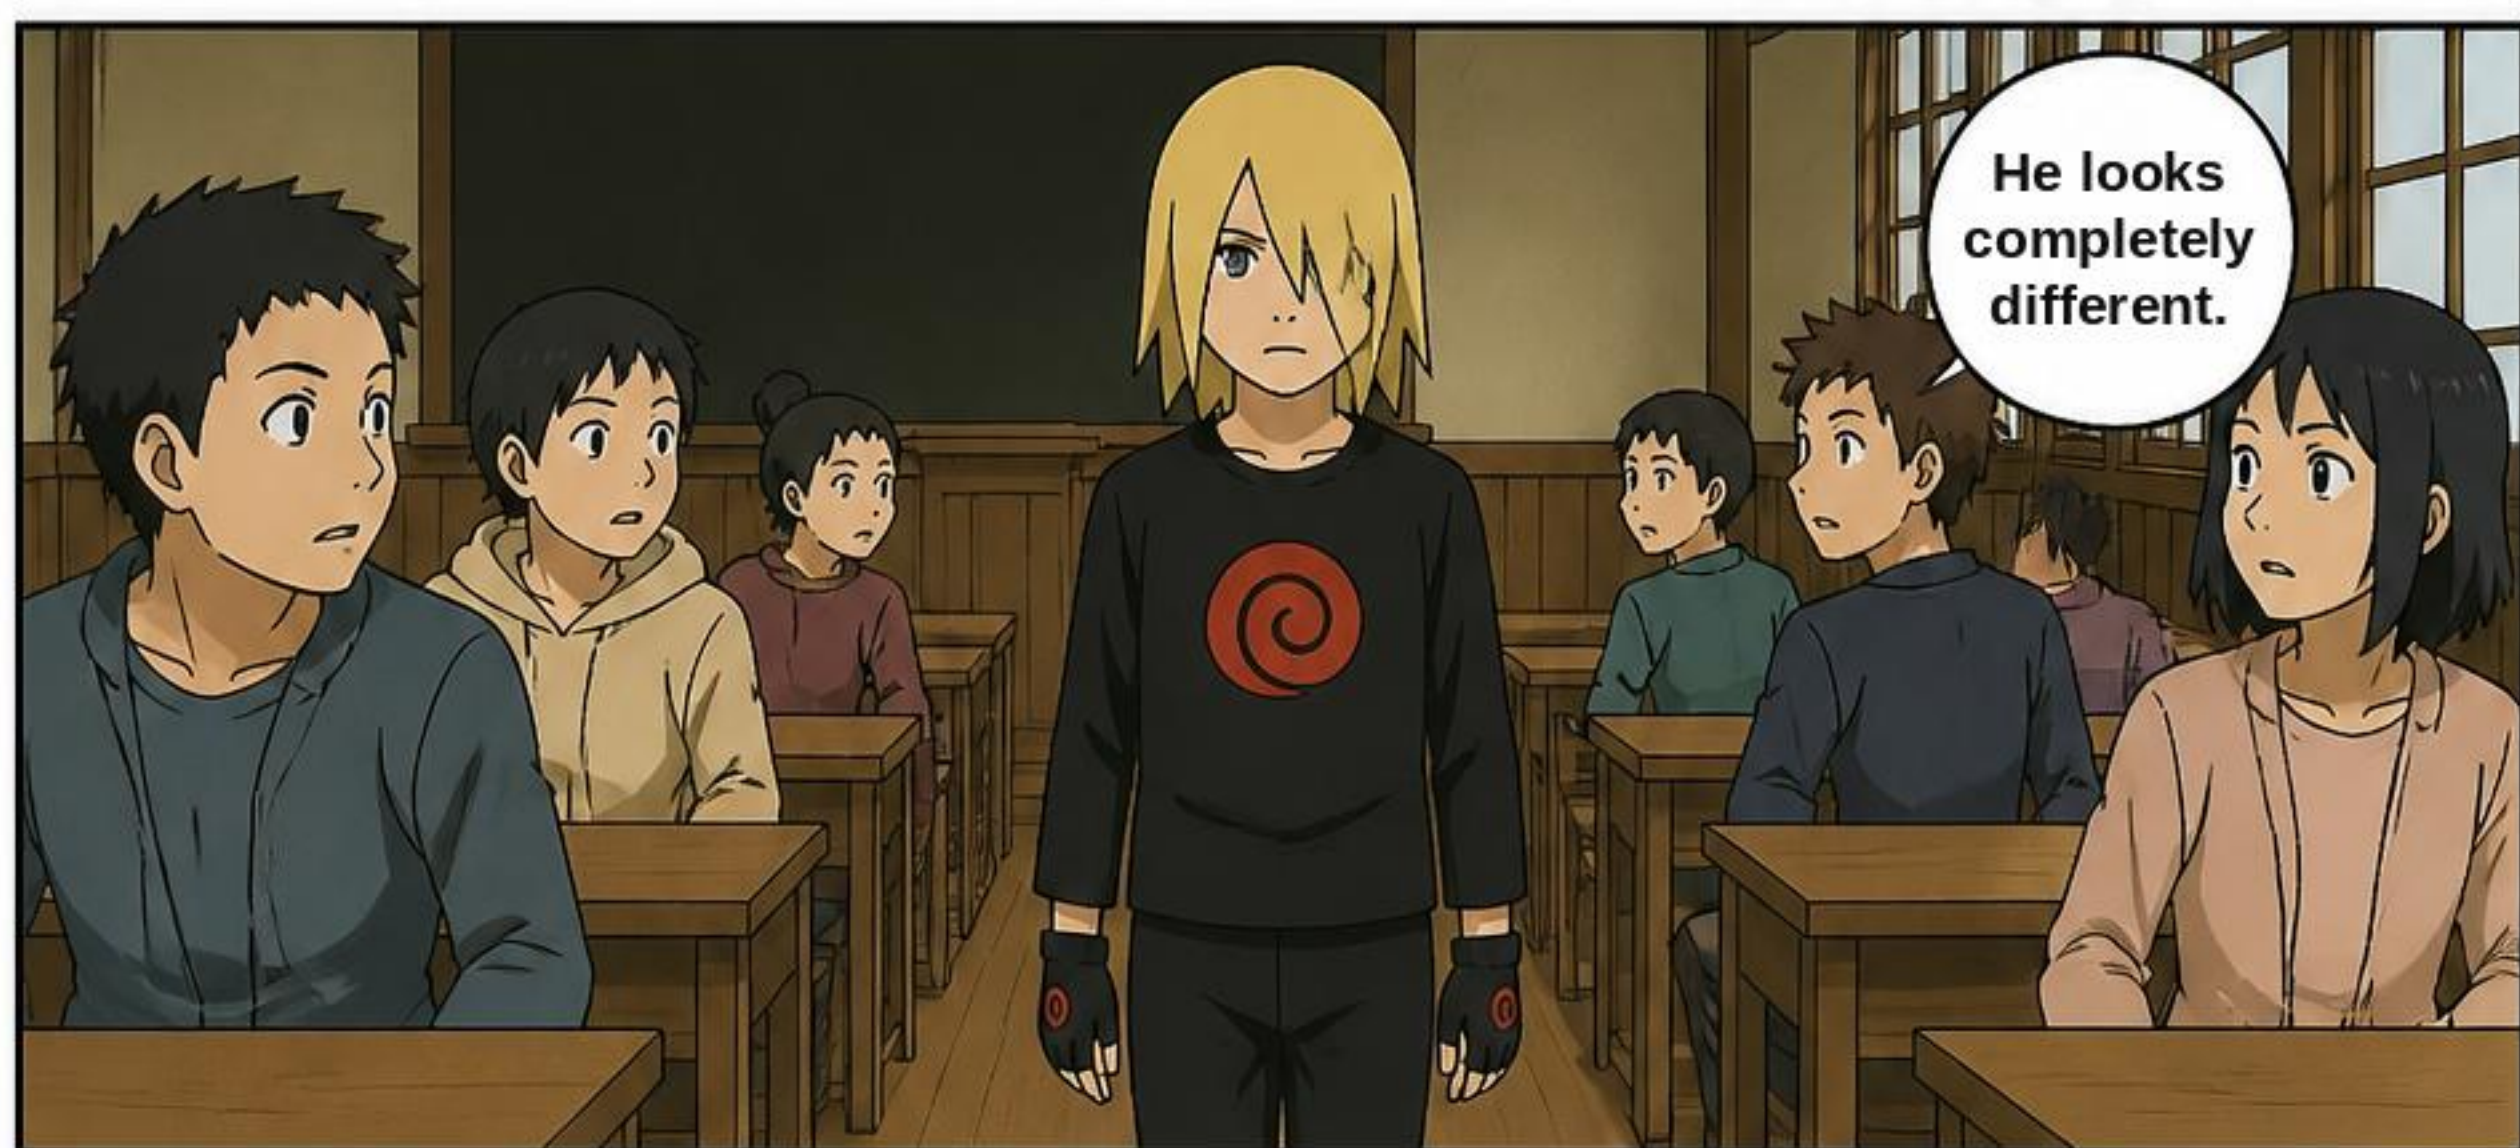

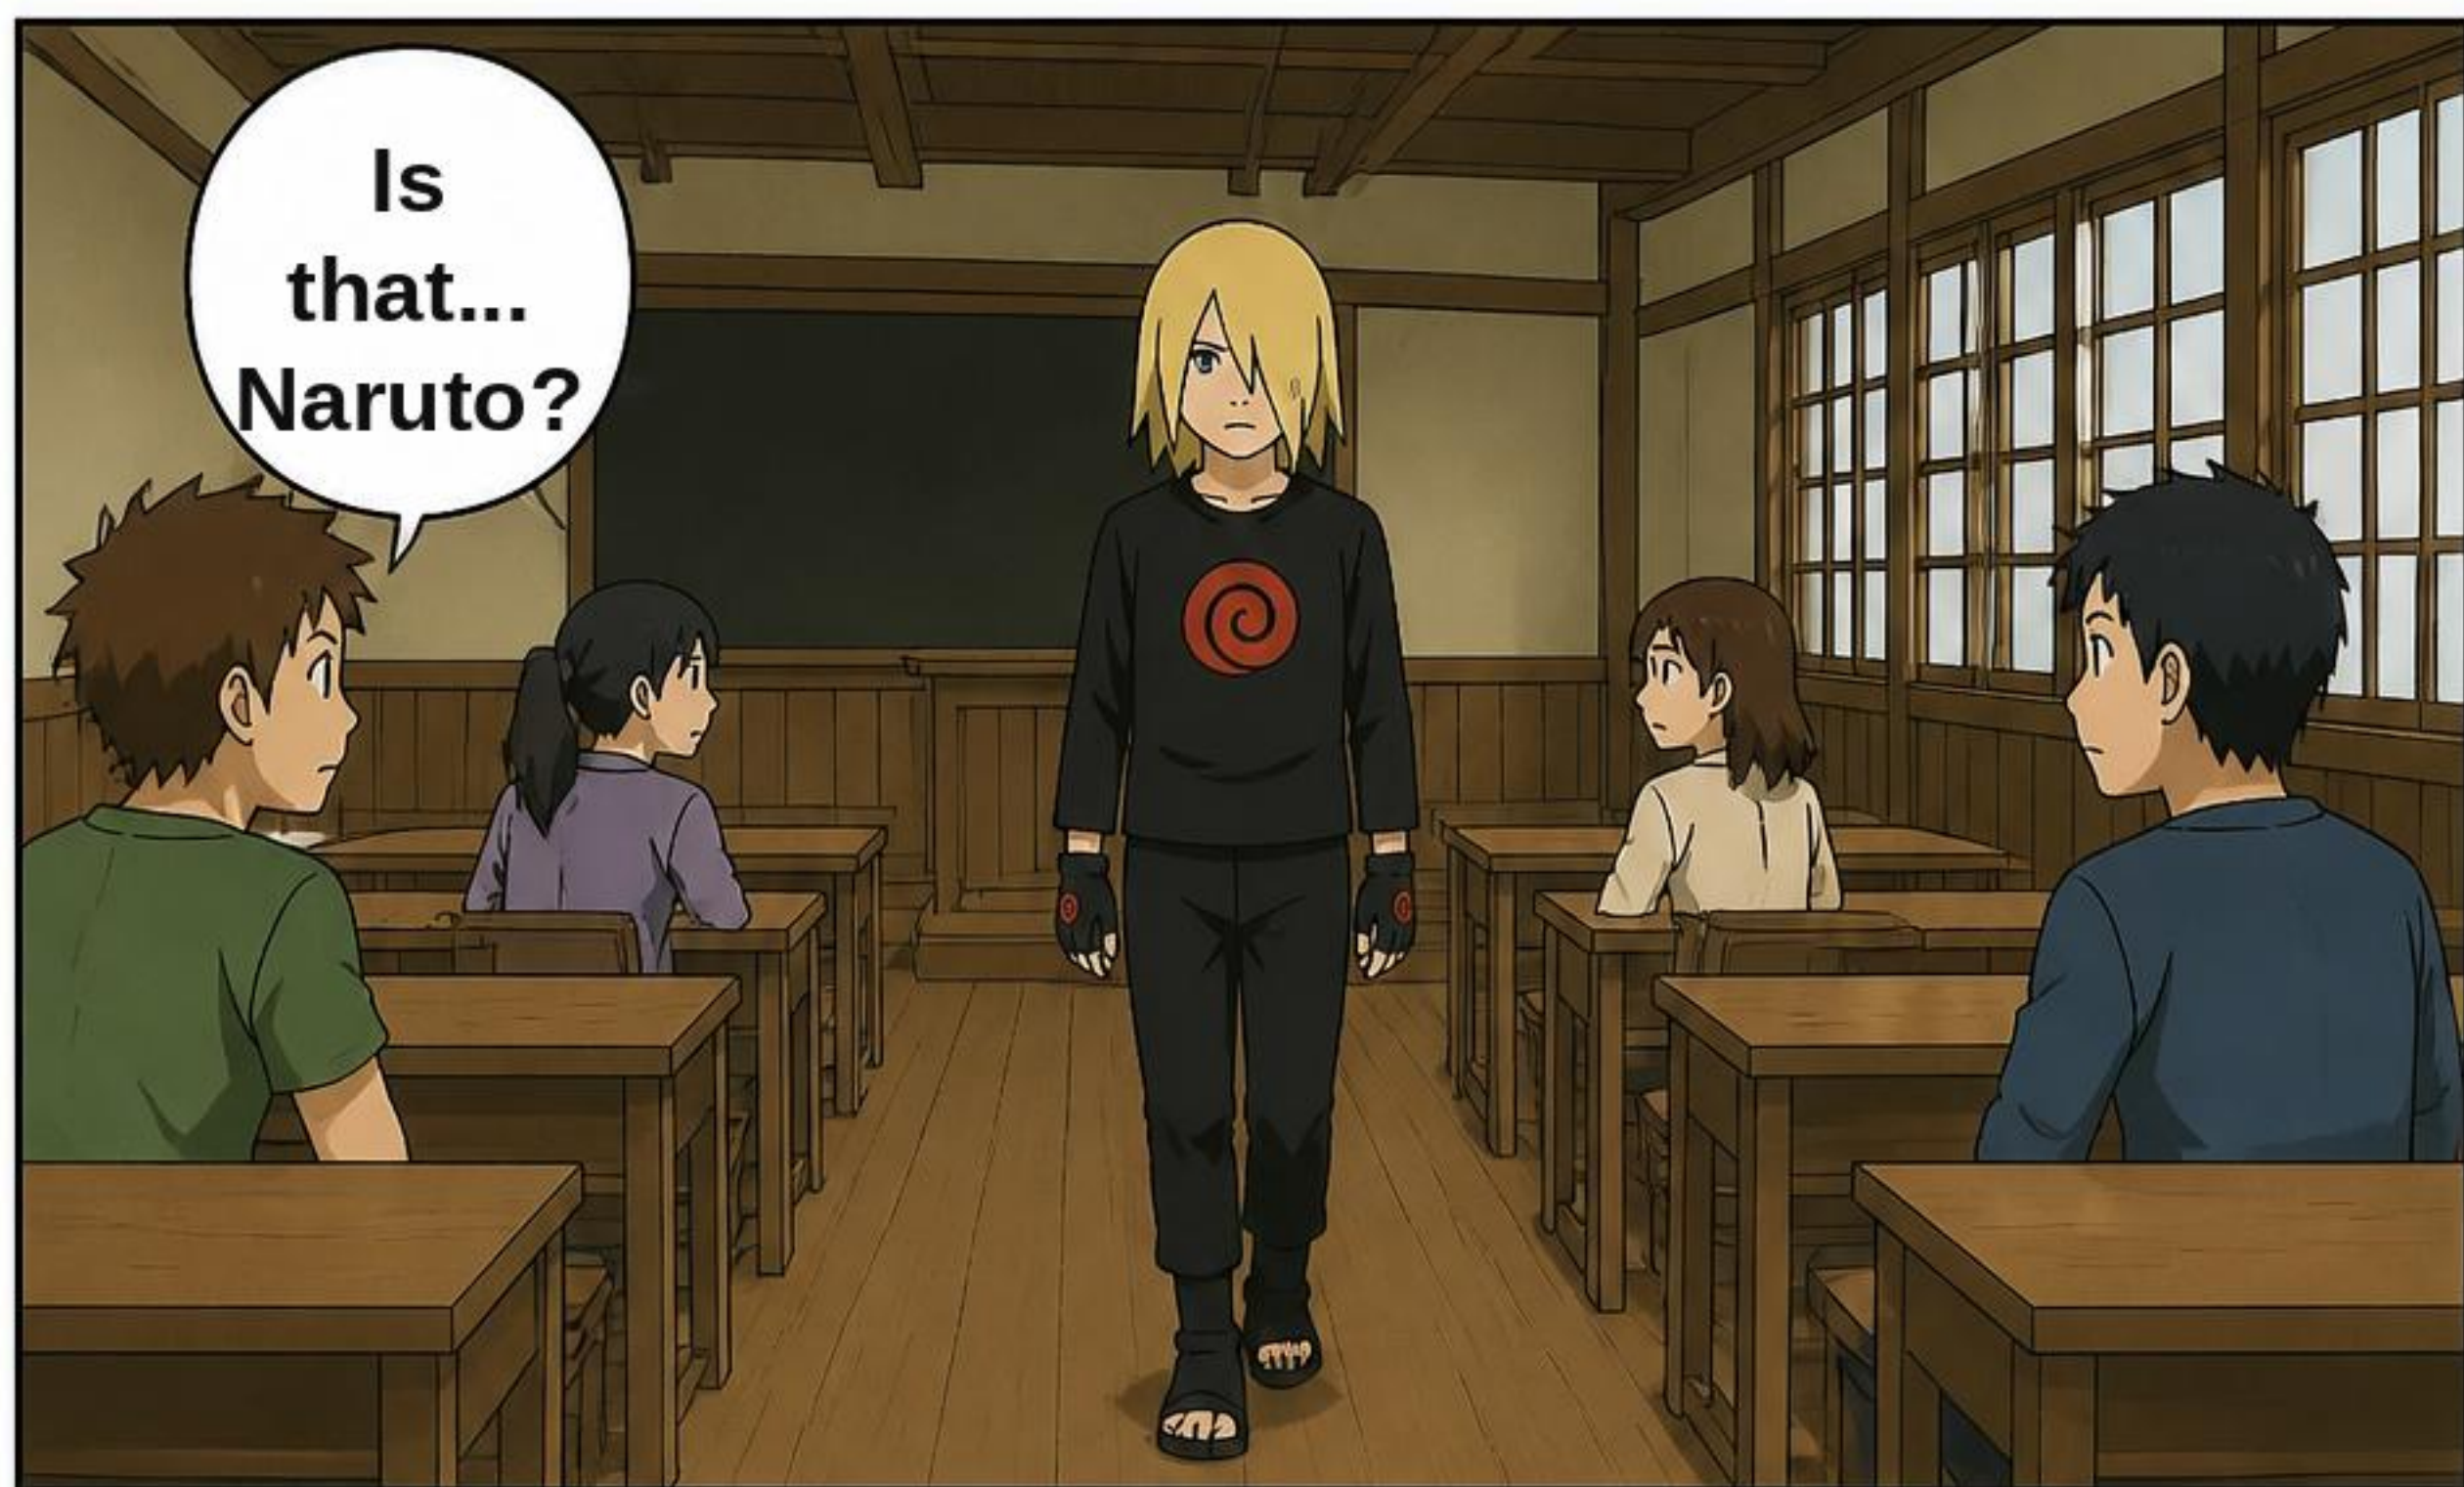

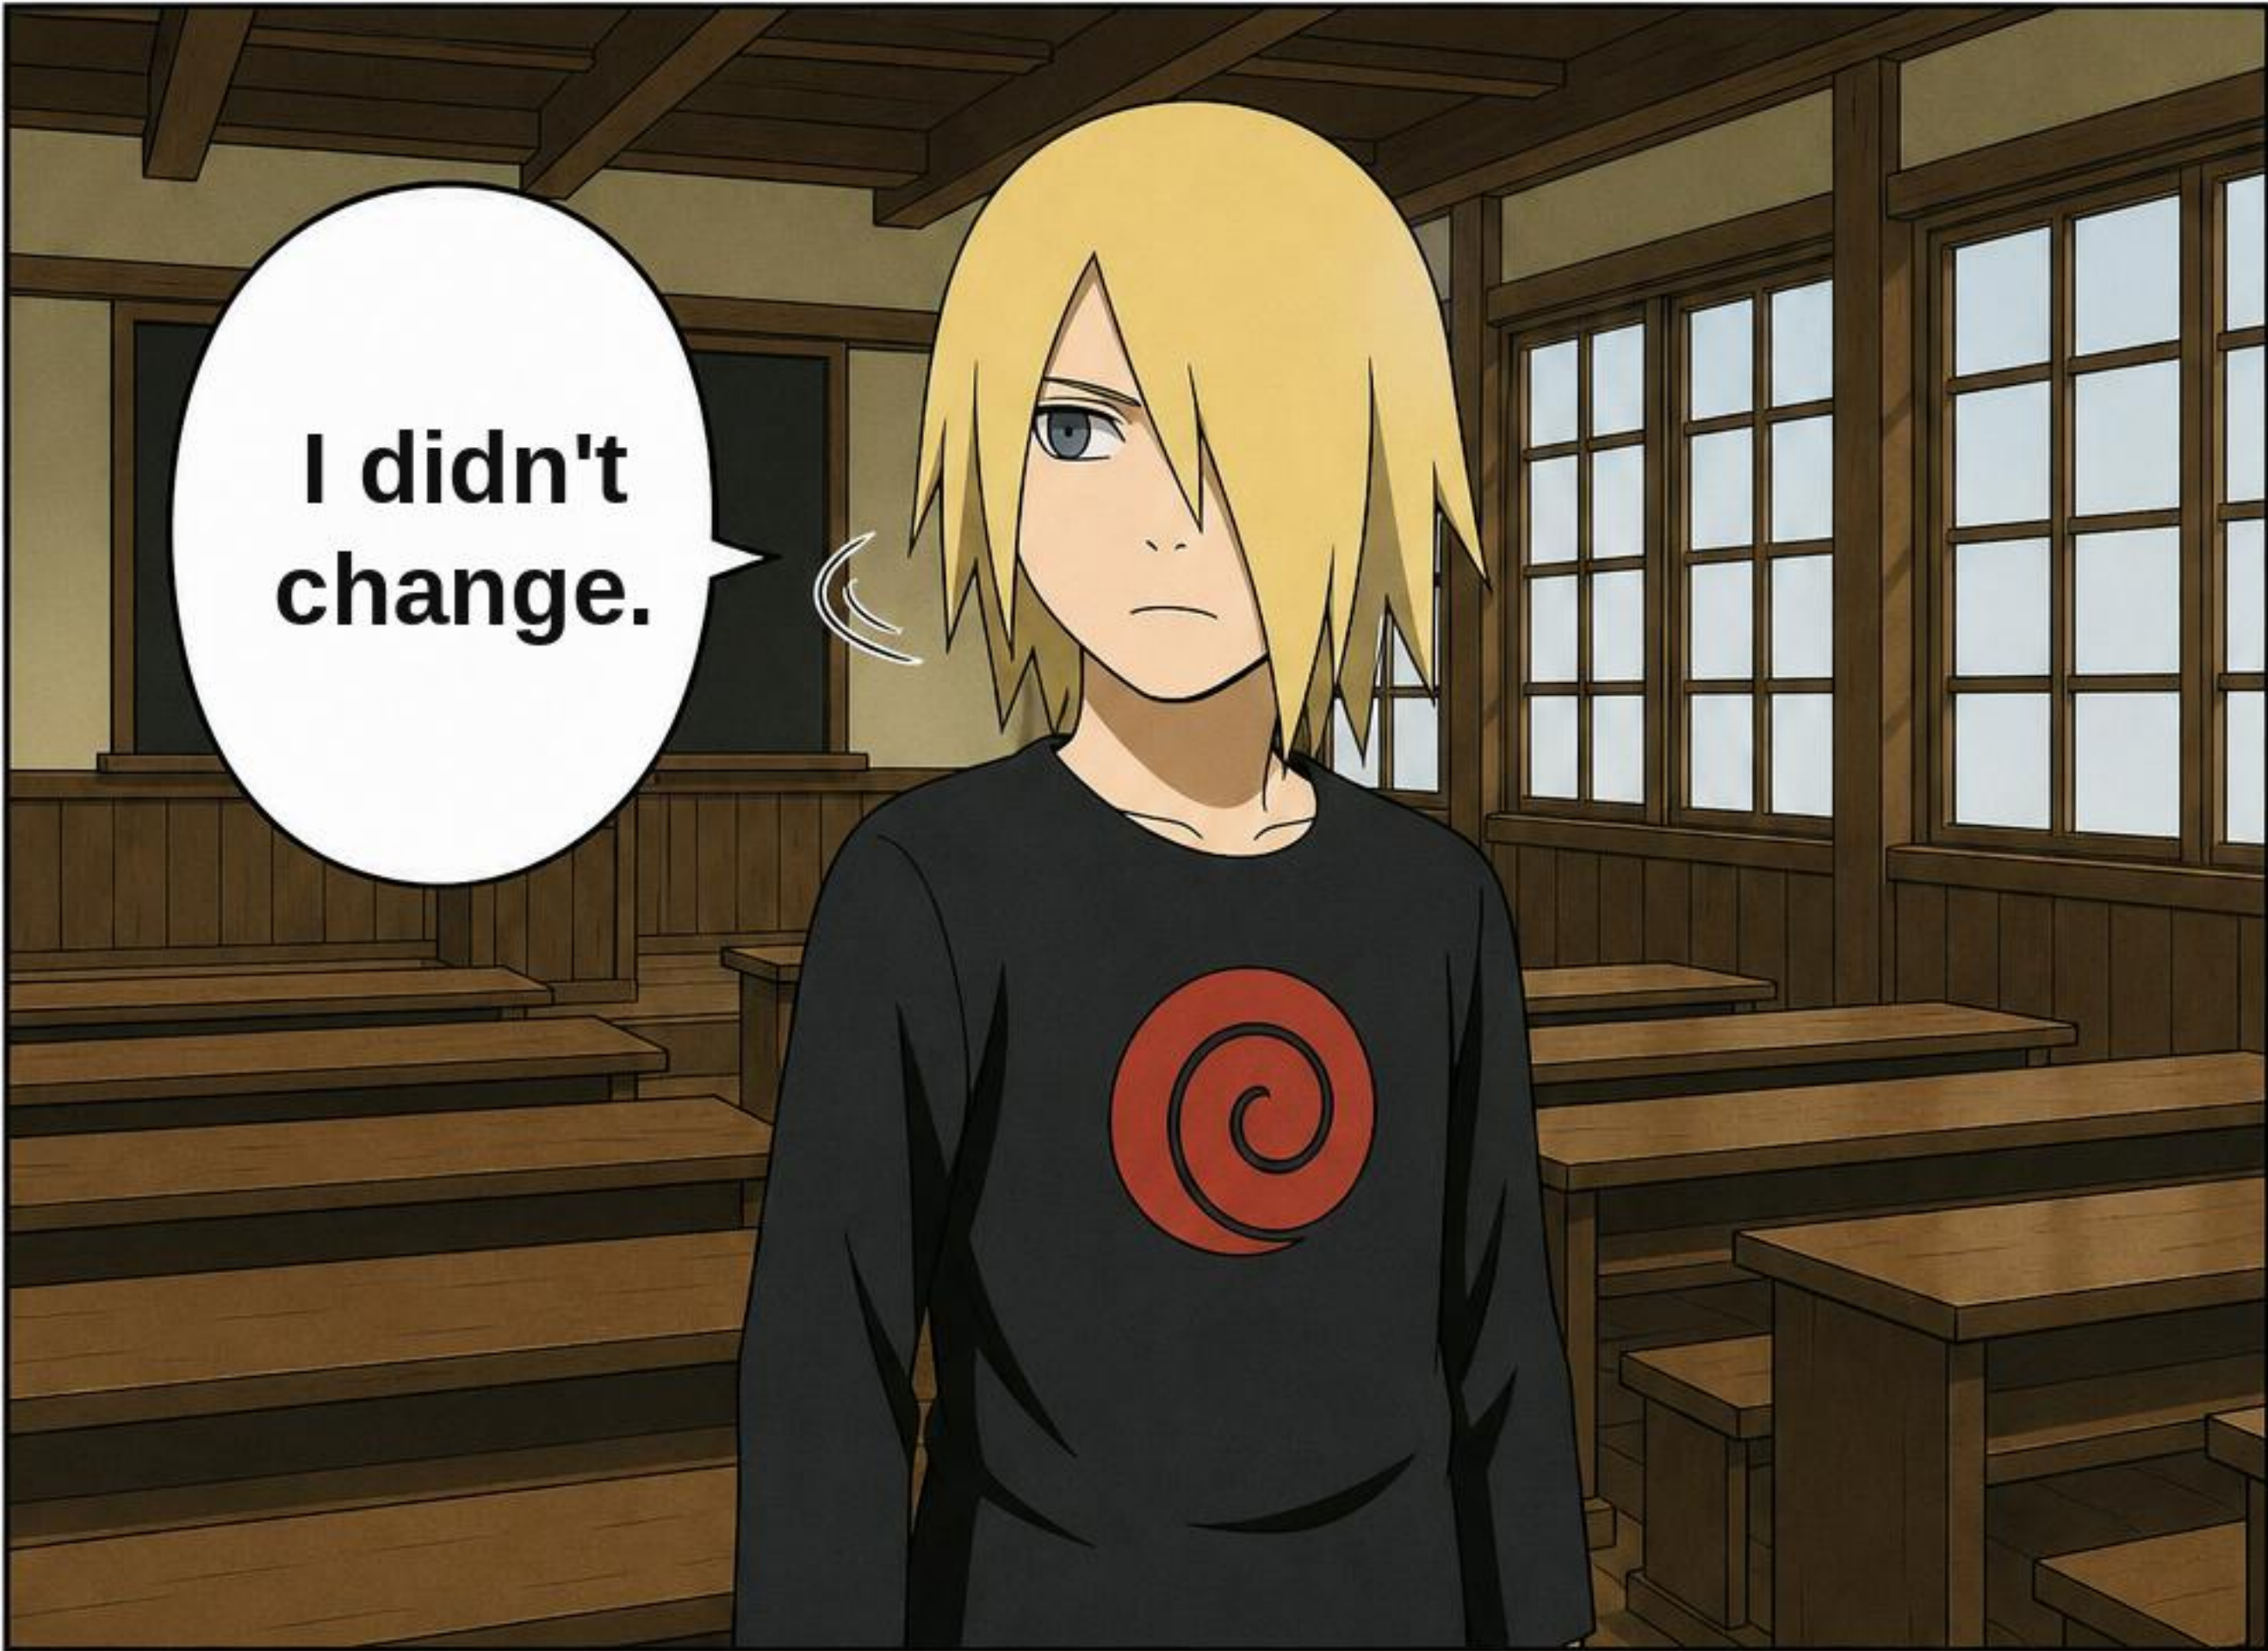

**I didn't
change.**

**I was always
like this. You
were just too
blind to see
it.**
