

Your father
was Minato
Namikaze.
The
Yondaime
Hokage.

...The
Yondaime?

That fool
and your
mother died
sealing the
Kyuubi
inside you.

The man
they
carved into
the
mountain.
Their hero.

He
chose
you for it
himself.

Haa...
haa...

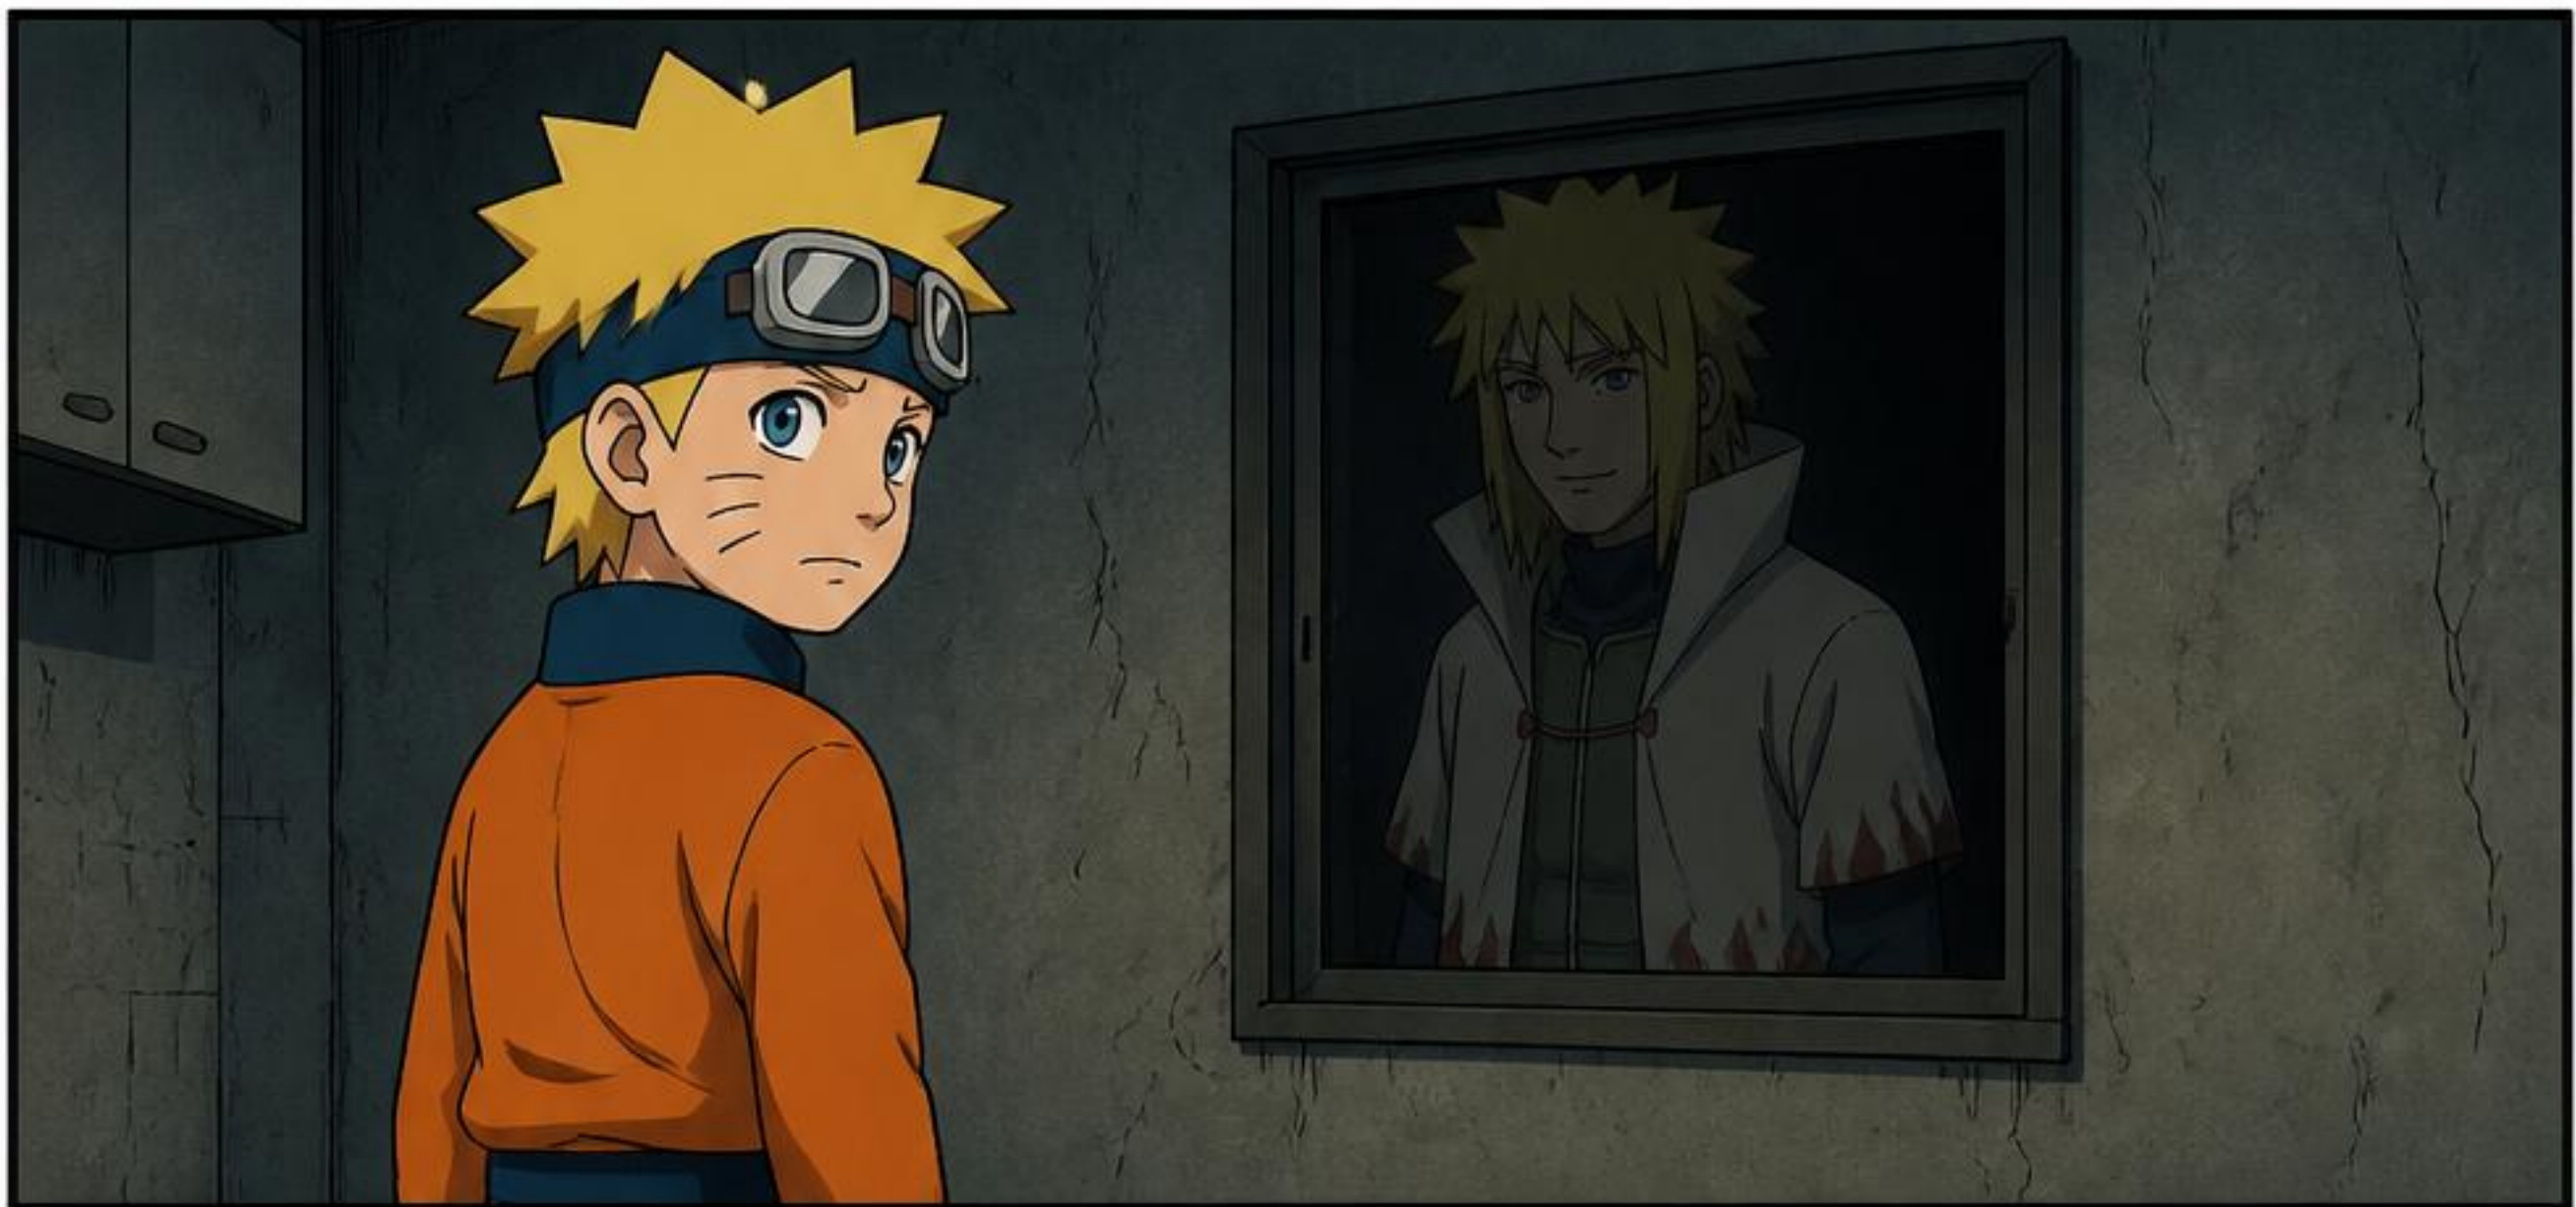

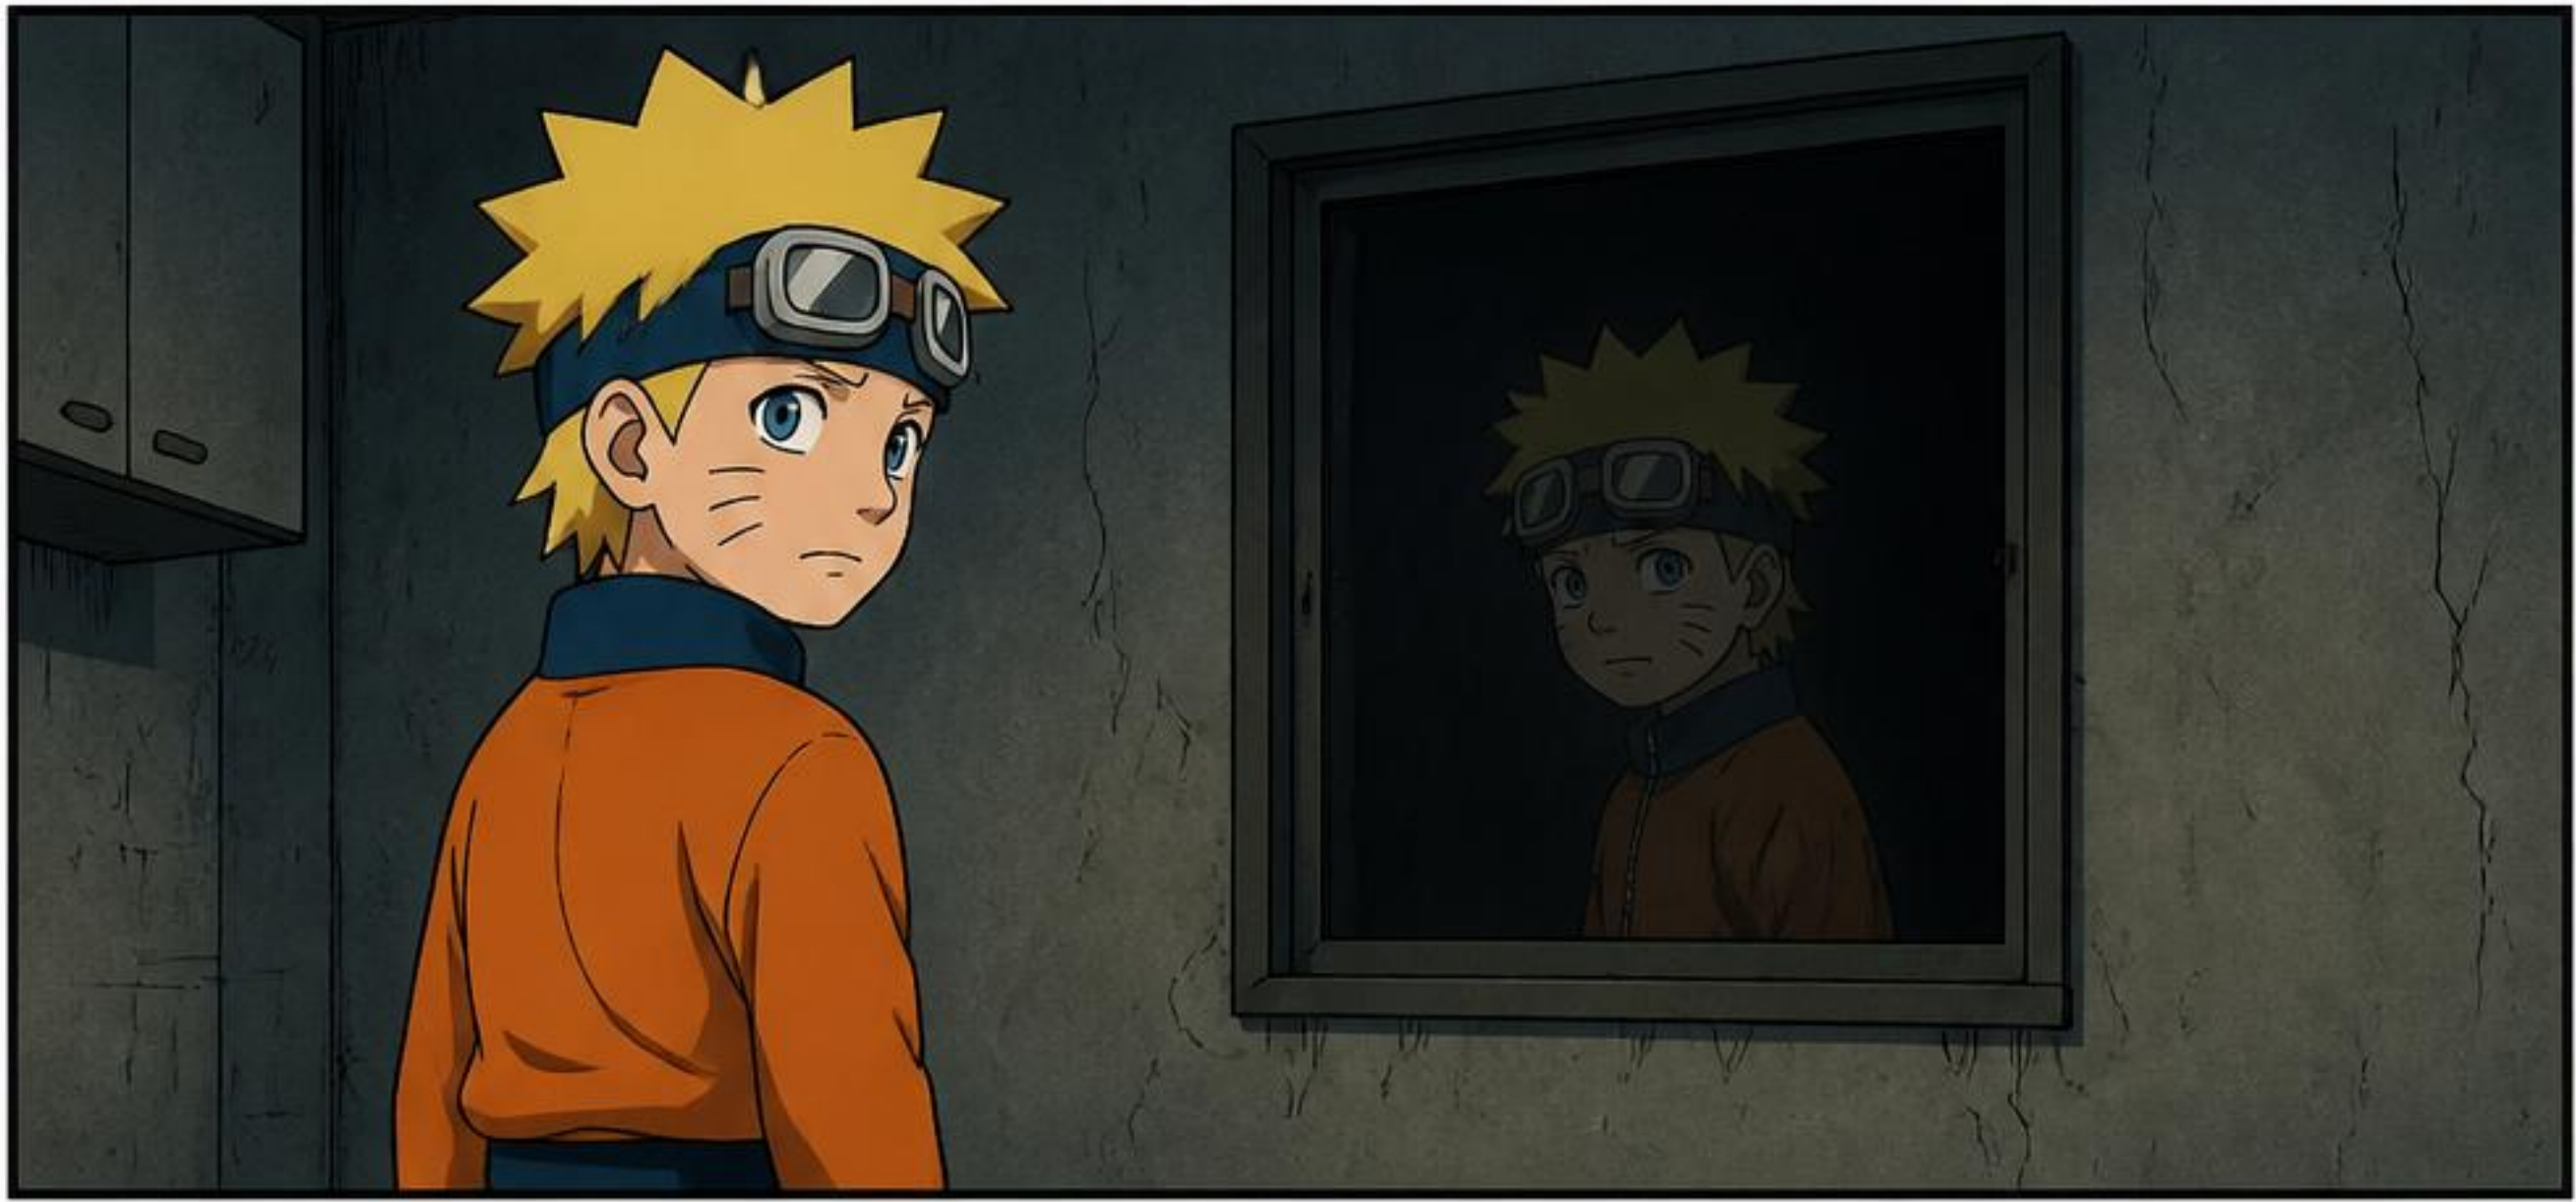

That was
not your
chakra, boy.

What's...
happening
to me...?

Get it
off. Get
it off
me.

You can't.
It is the
only
thing he
left you.

**Some
hero.**

**You
never
even
asked
me.**

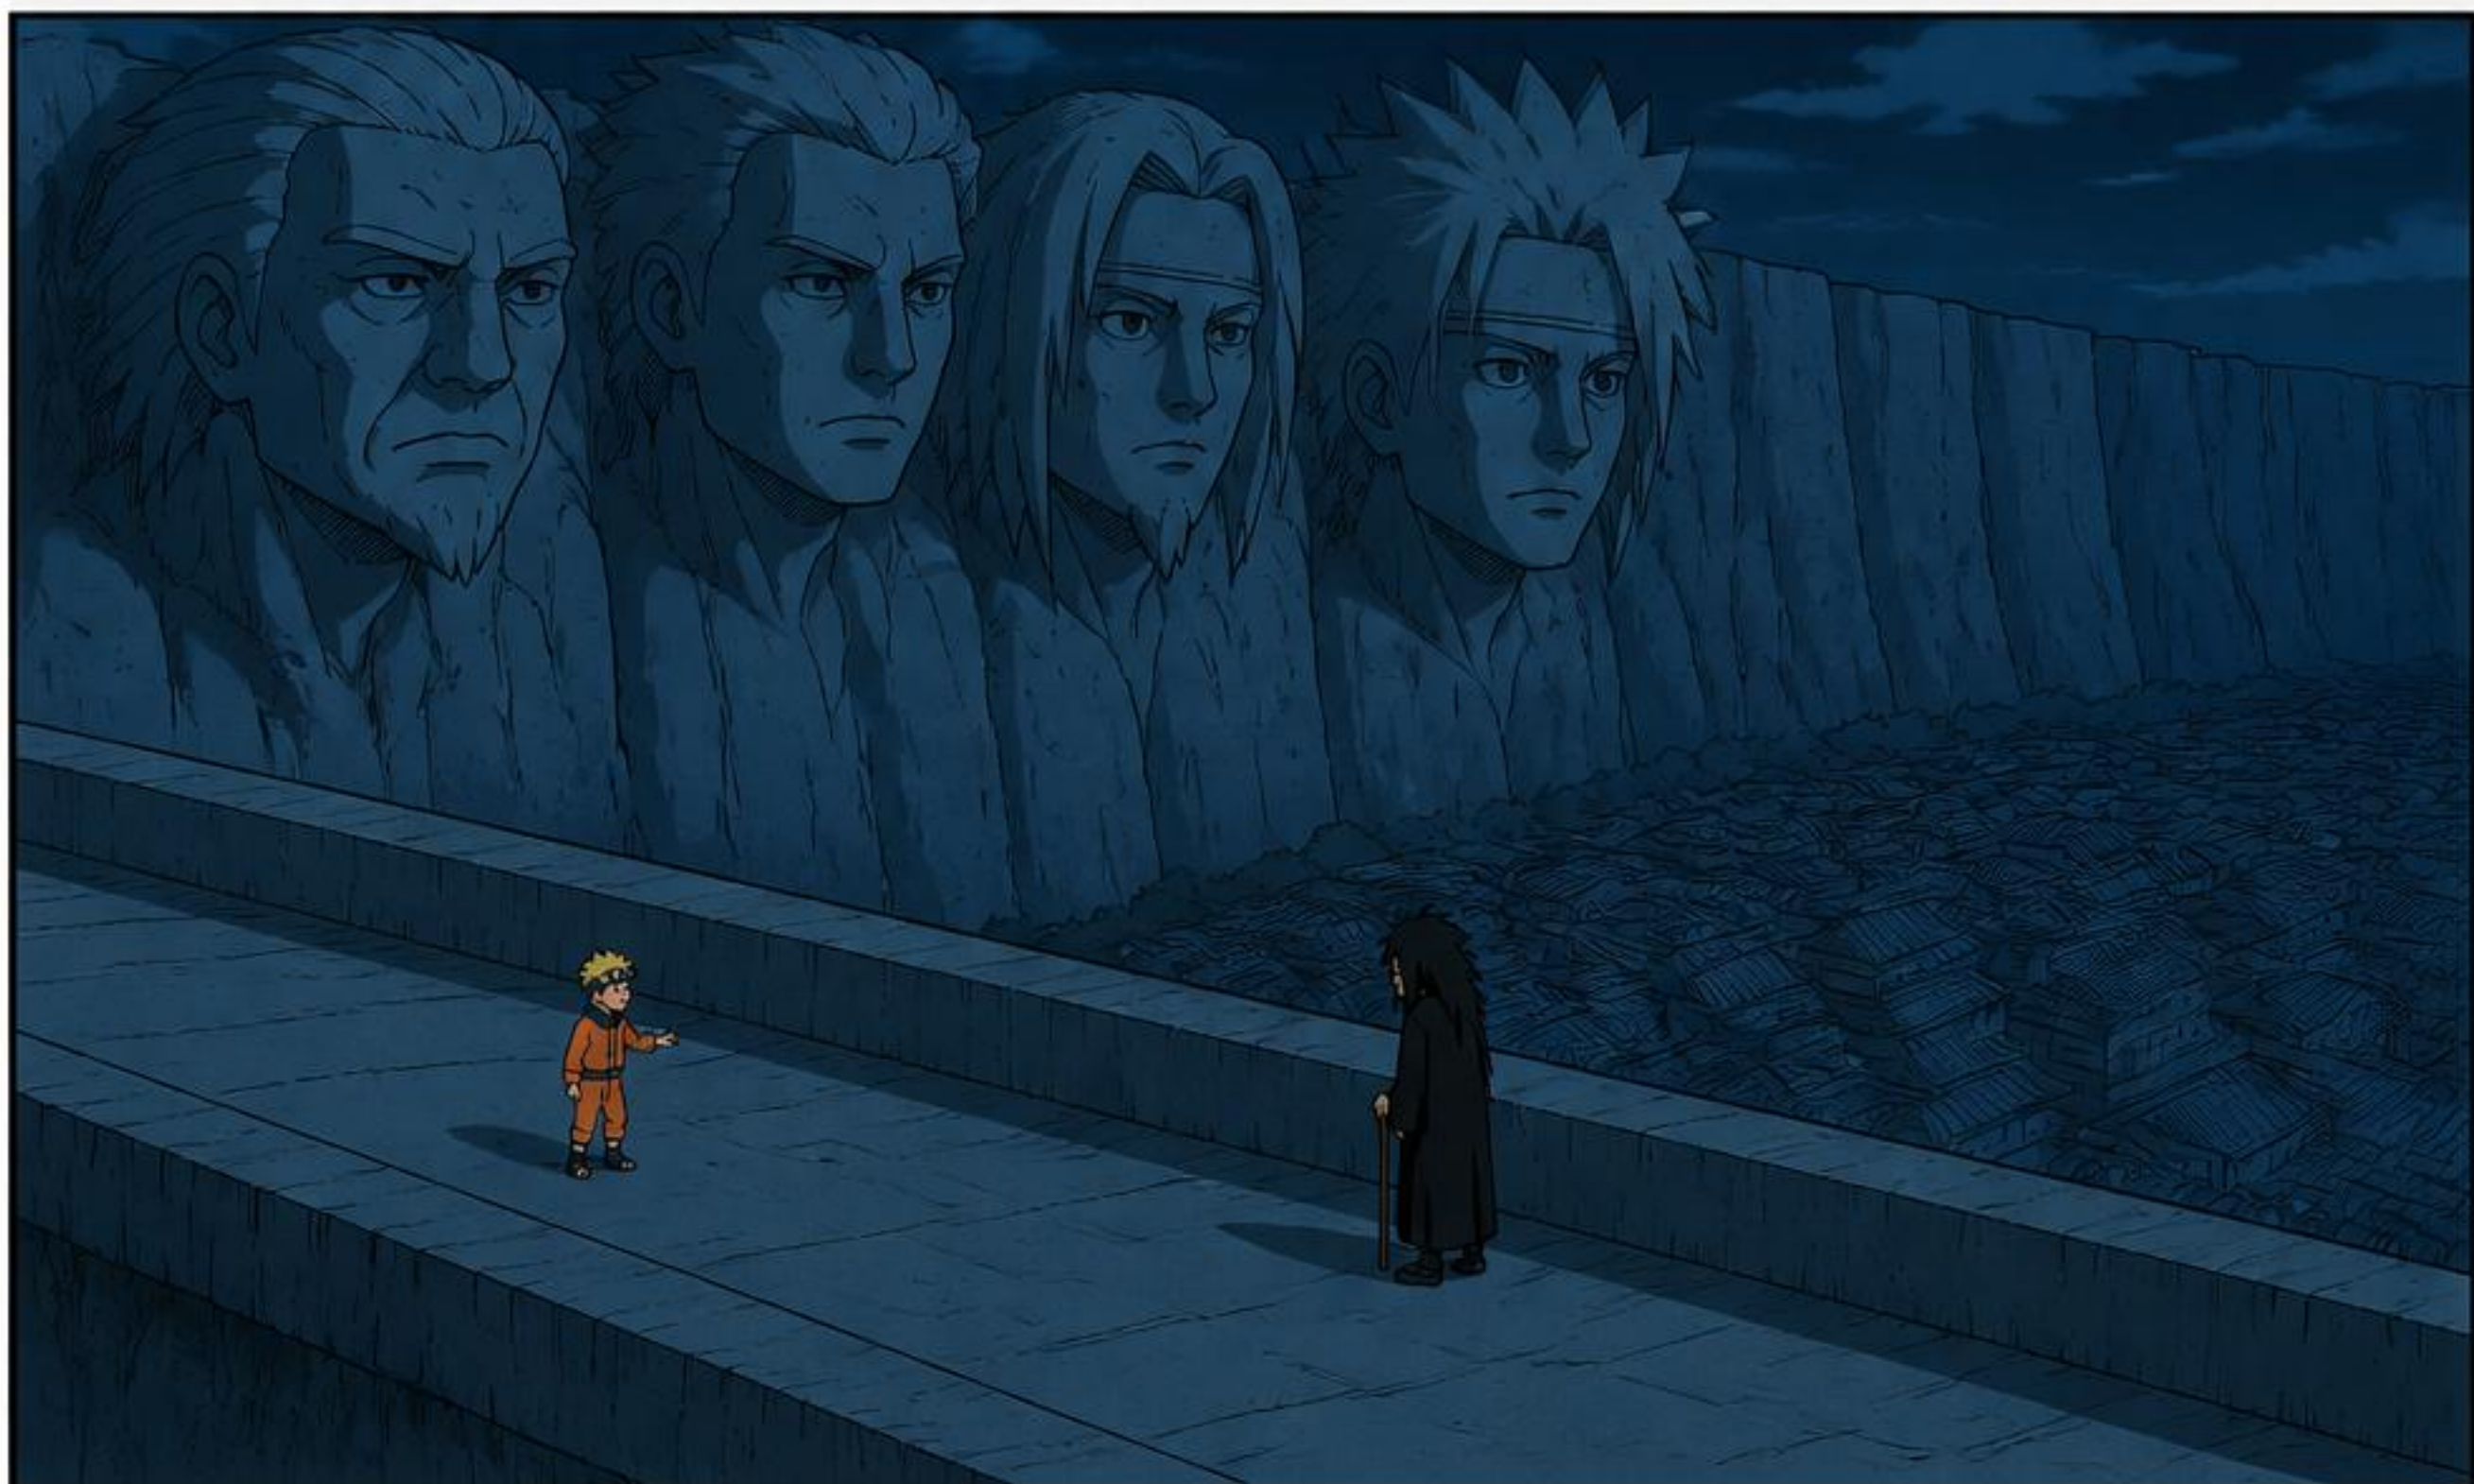

There is
one more
thing,
boy.

I know all of
this because I
was Kushina's
father. Which
makes me your
grandfather.

...Grand...
father?

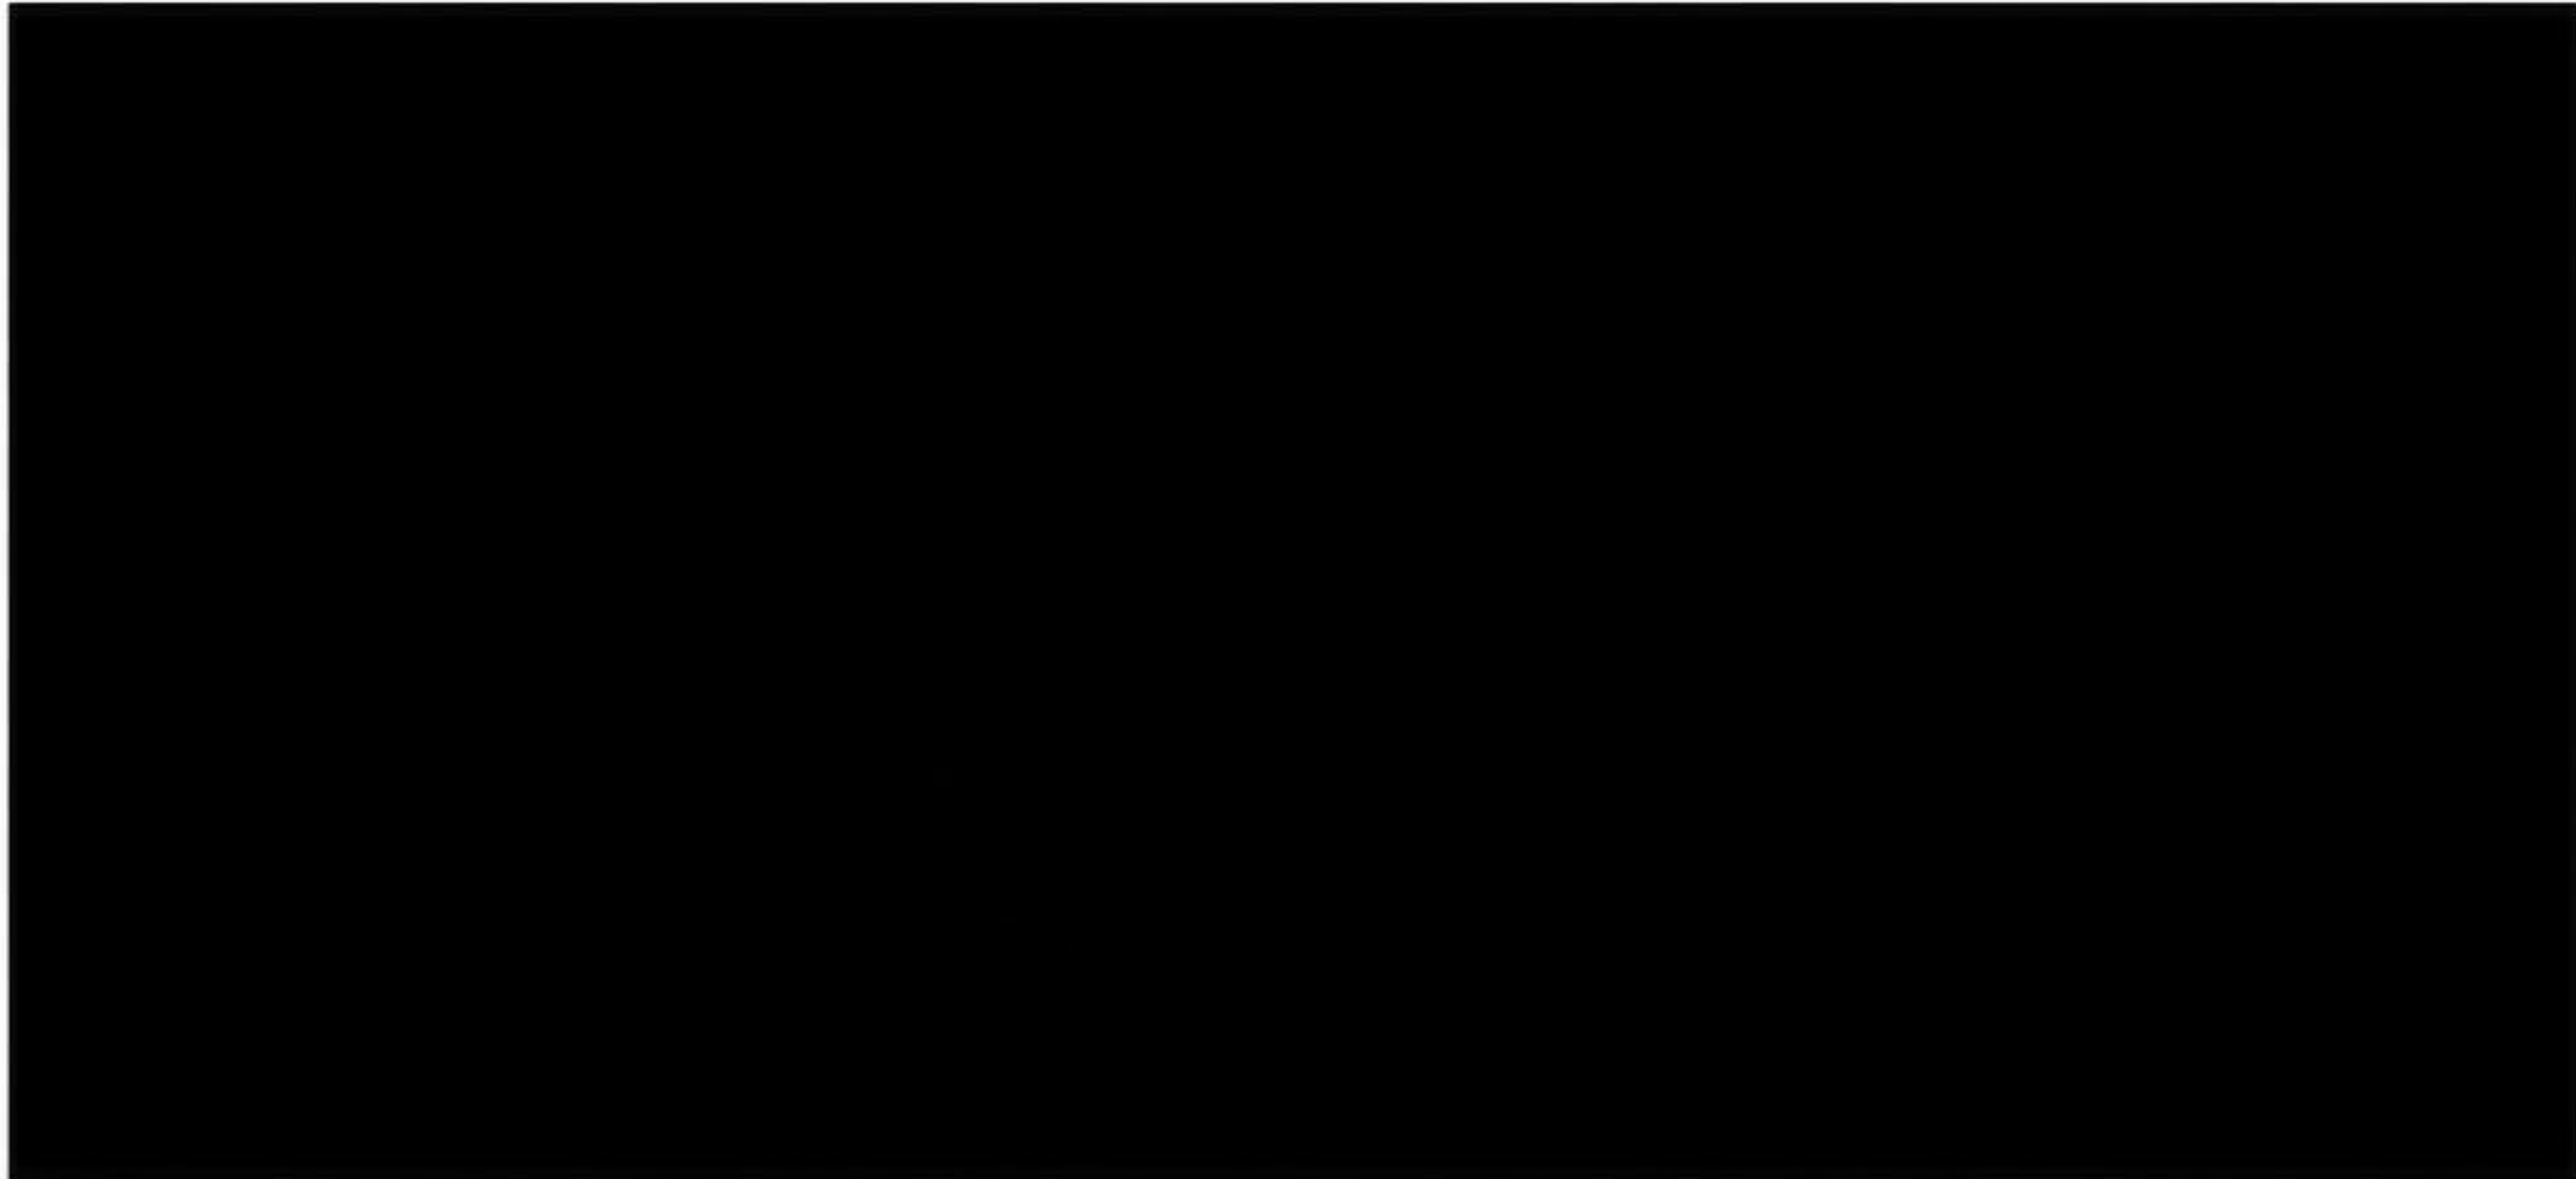

I said I'd
never
do this
again.

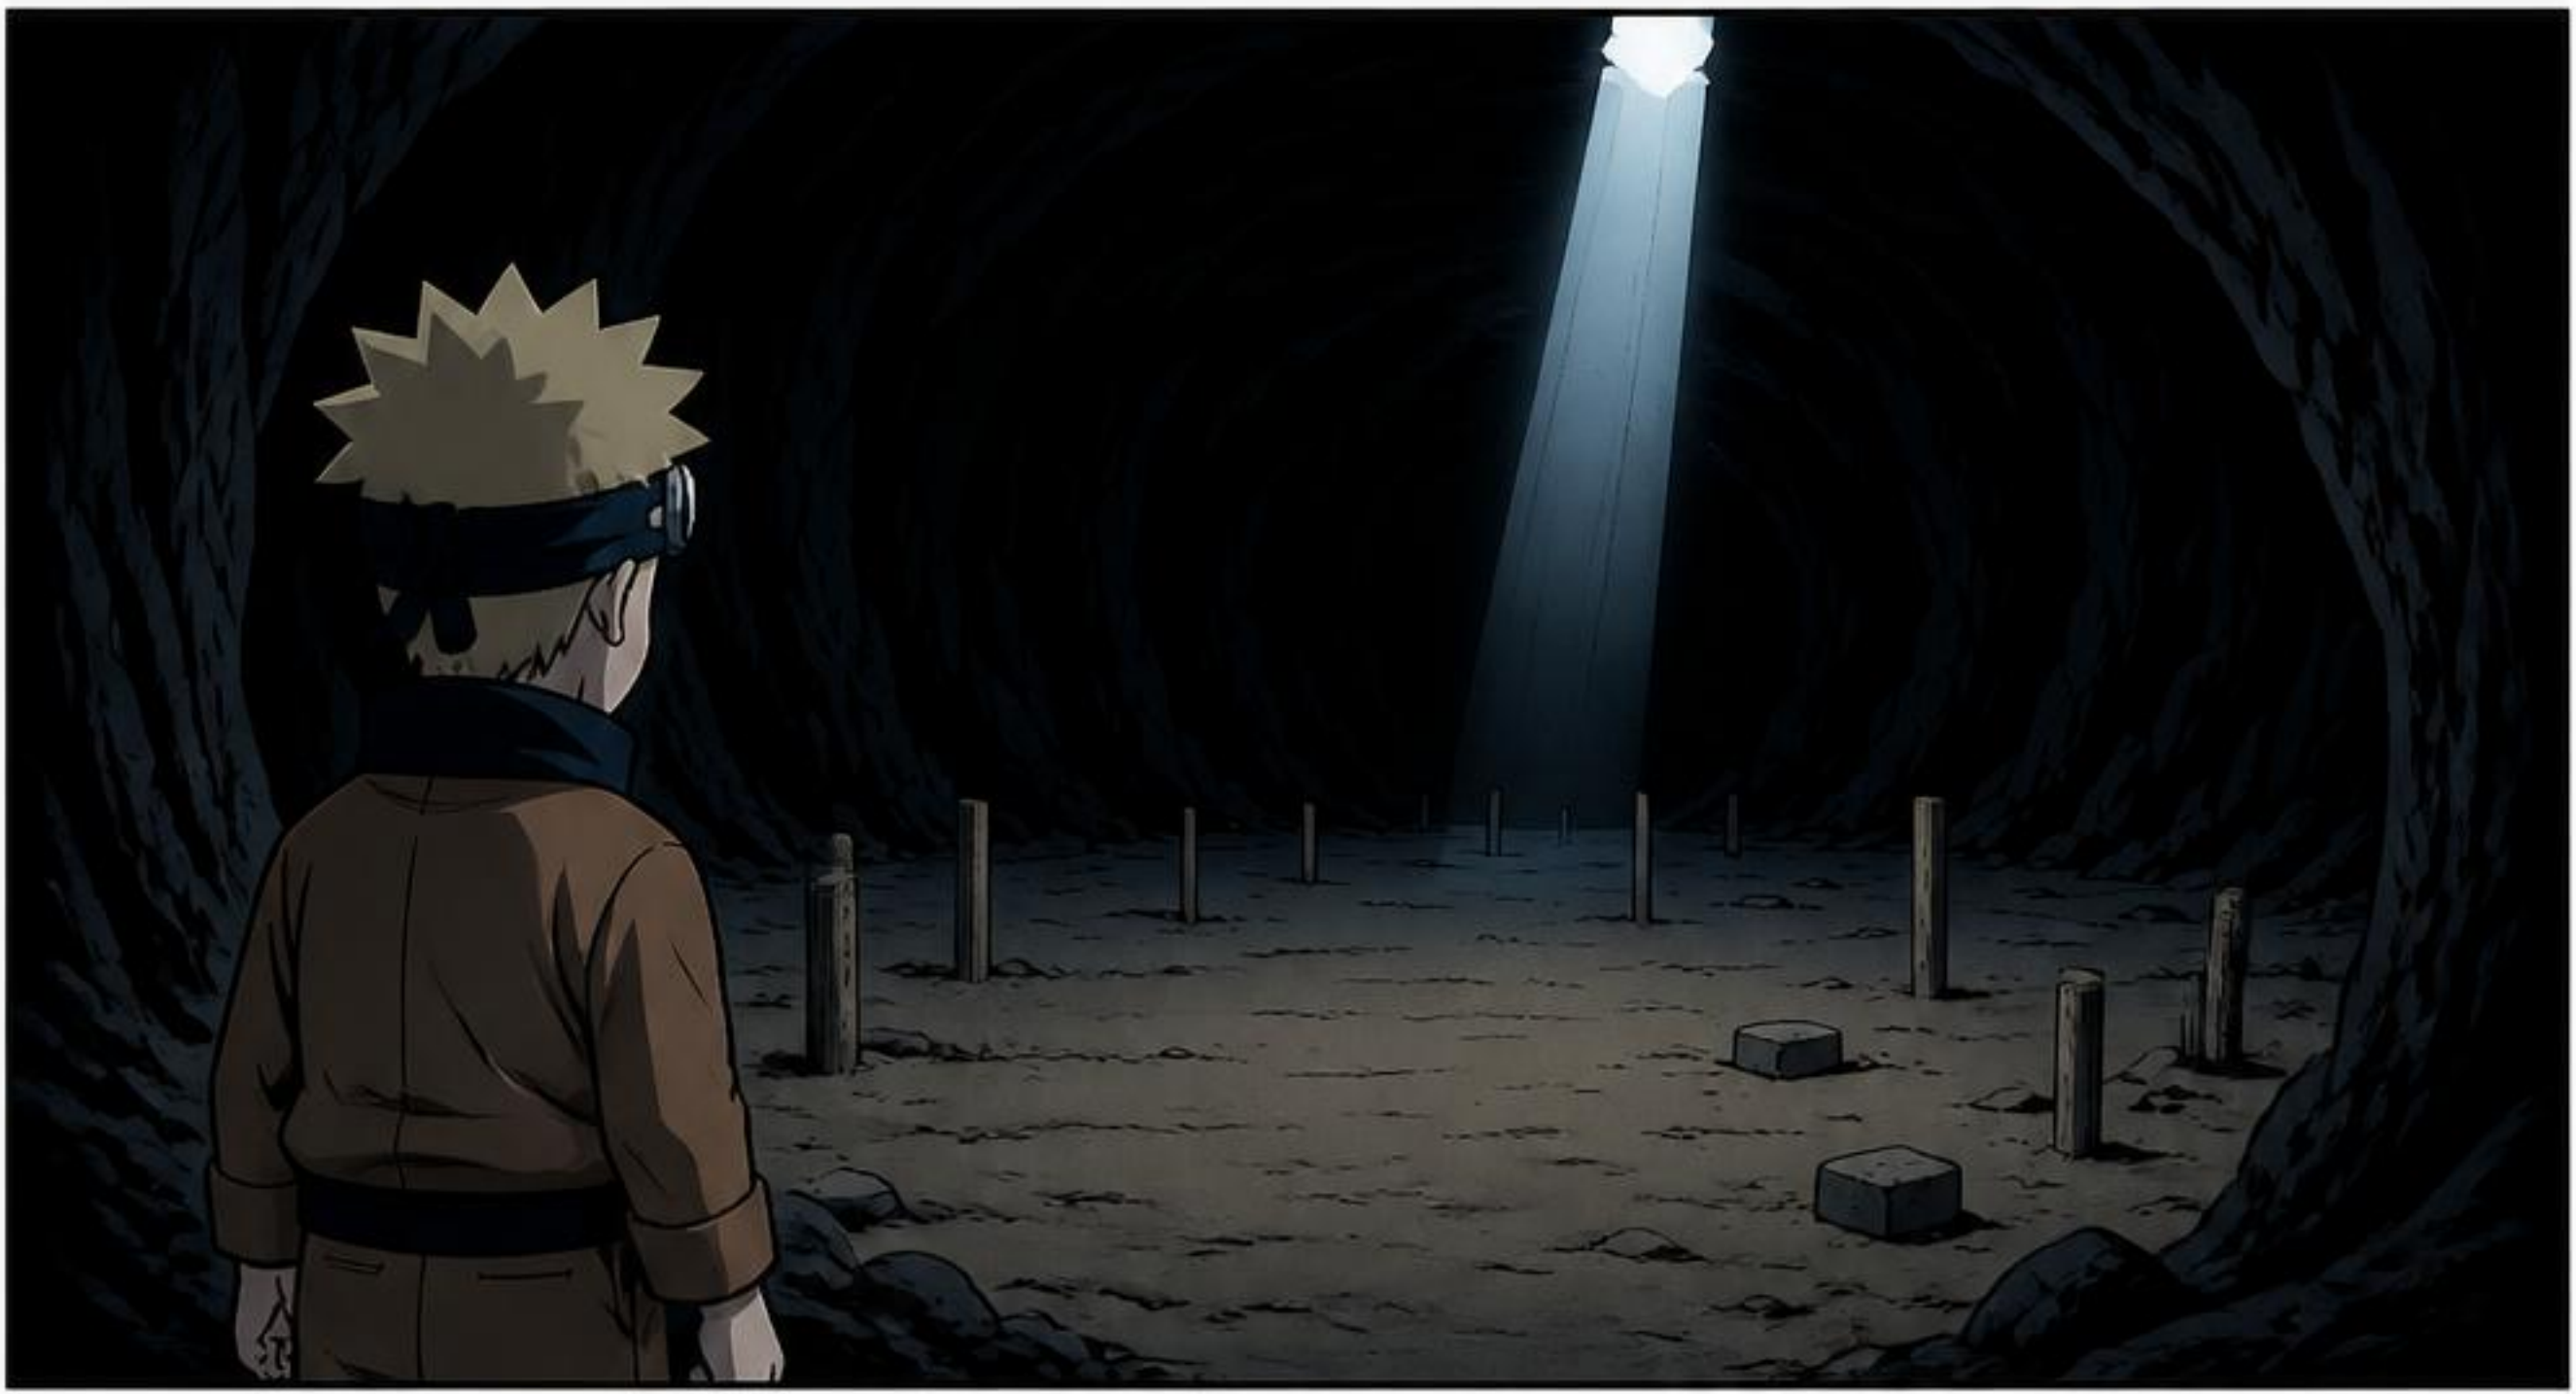

I
promised.

Your
childhood
is over.

Listen,
boy. I
don't have
much
time.

Hello, little one. I am to look after you.

Arms and legs. They stay on until he says otherwise.

I can't- I can't even stand up.

It only hurts
this much
because it's
the first day.

He cannot hear
you. He has been
asleep since the
fortieth lap.
