

CHAPTER EIGHT

INHERITANCE

UCHIHA NARUTO: THE SAGE . VOLUME ONE

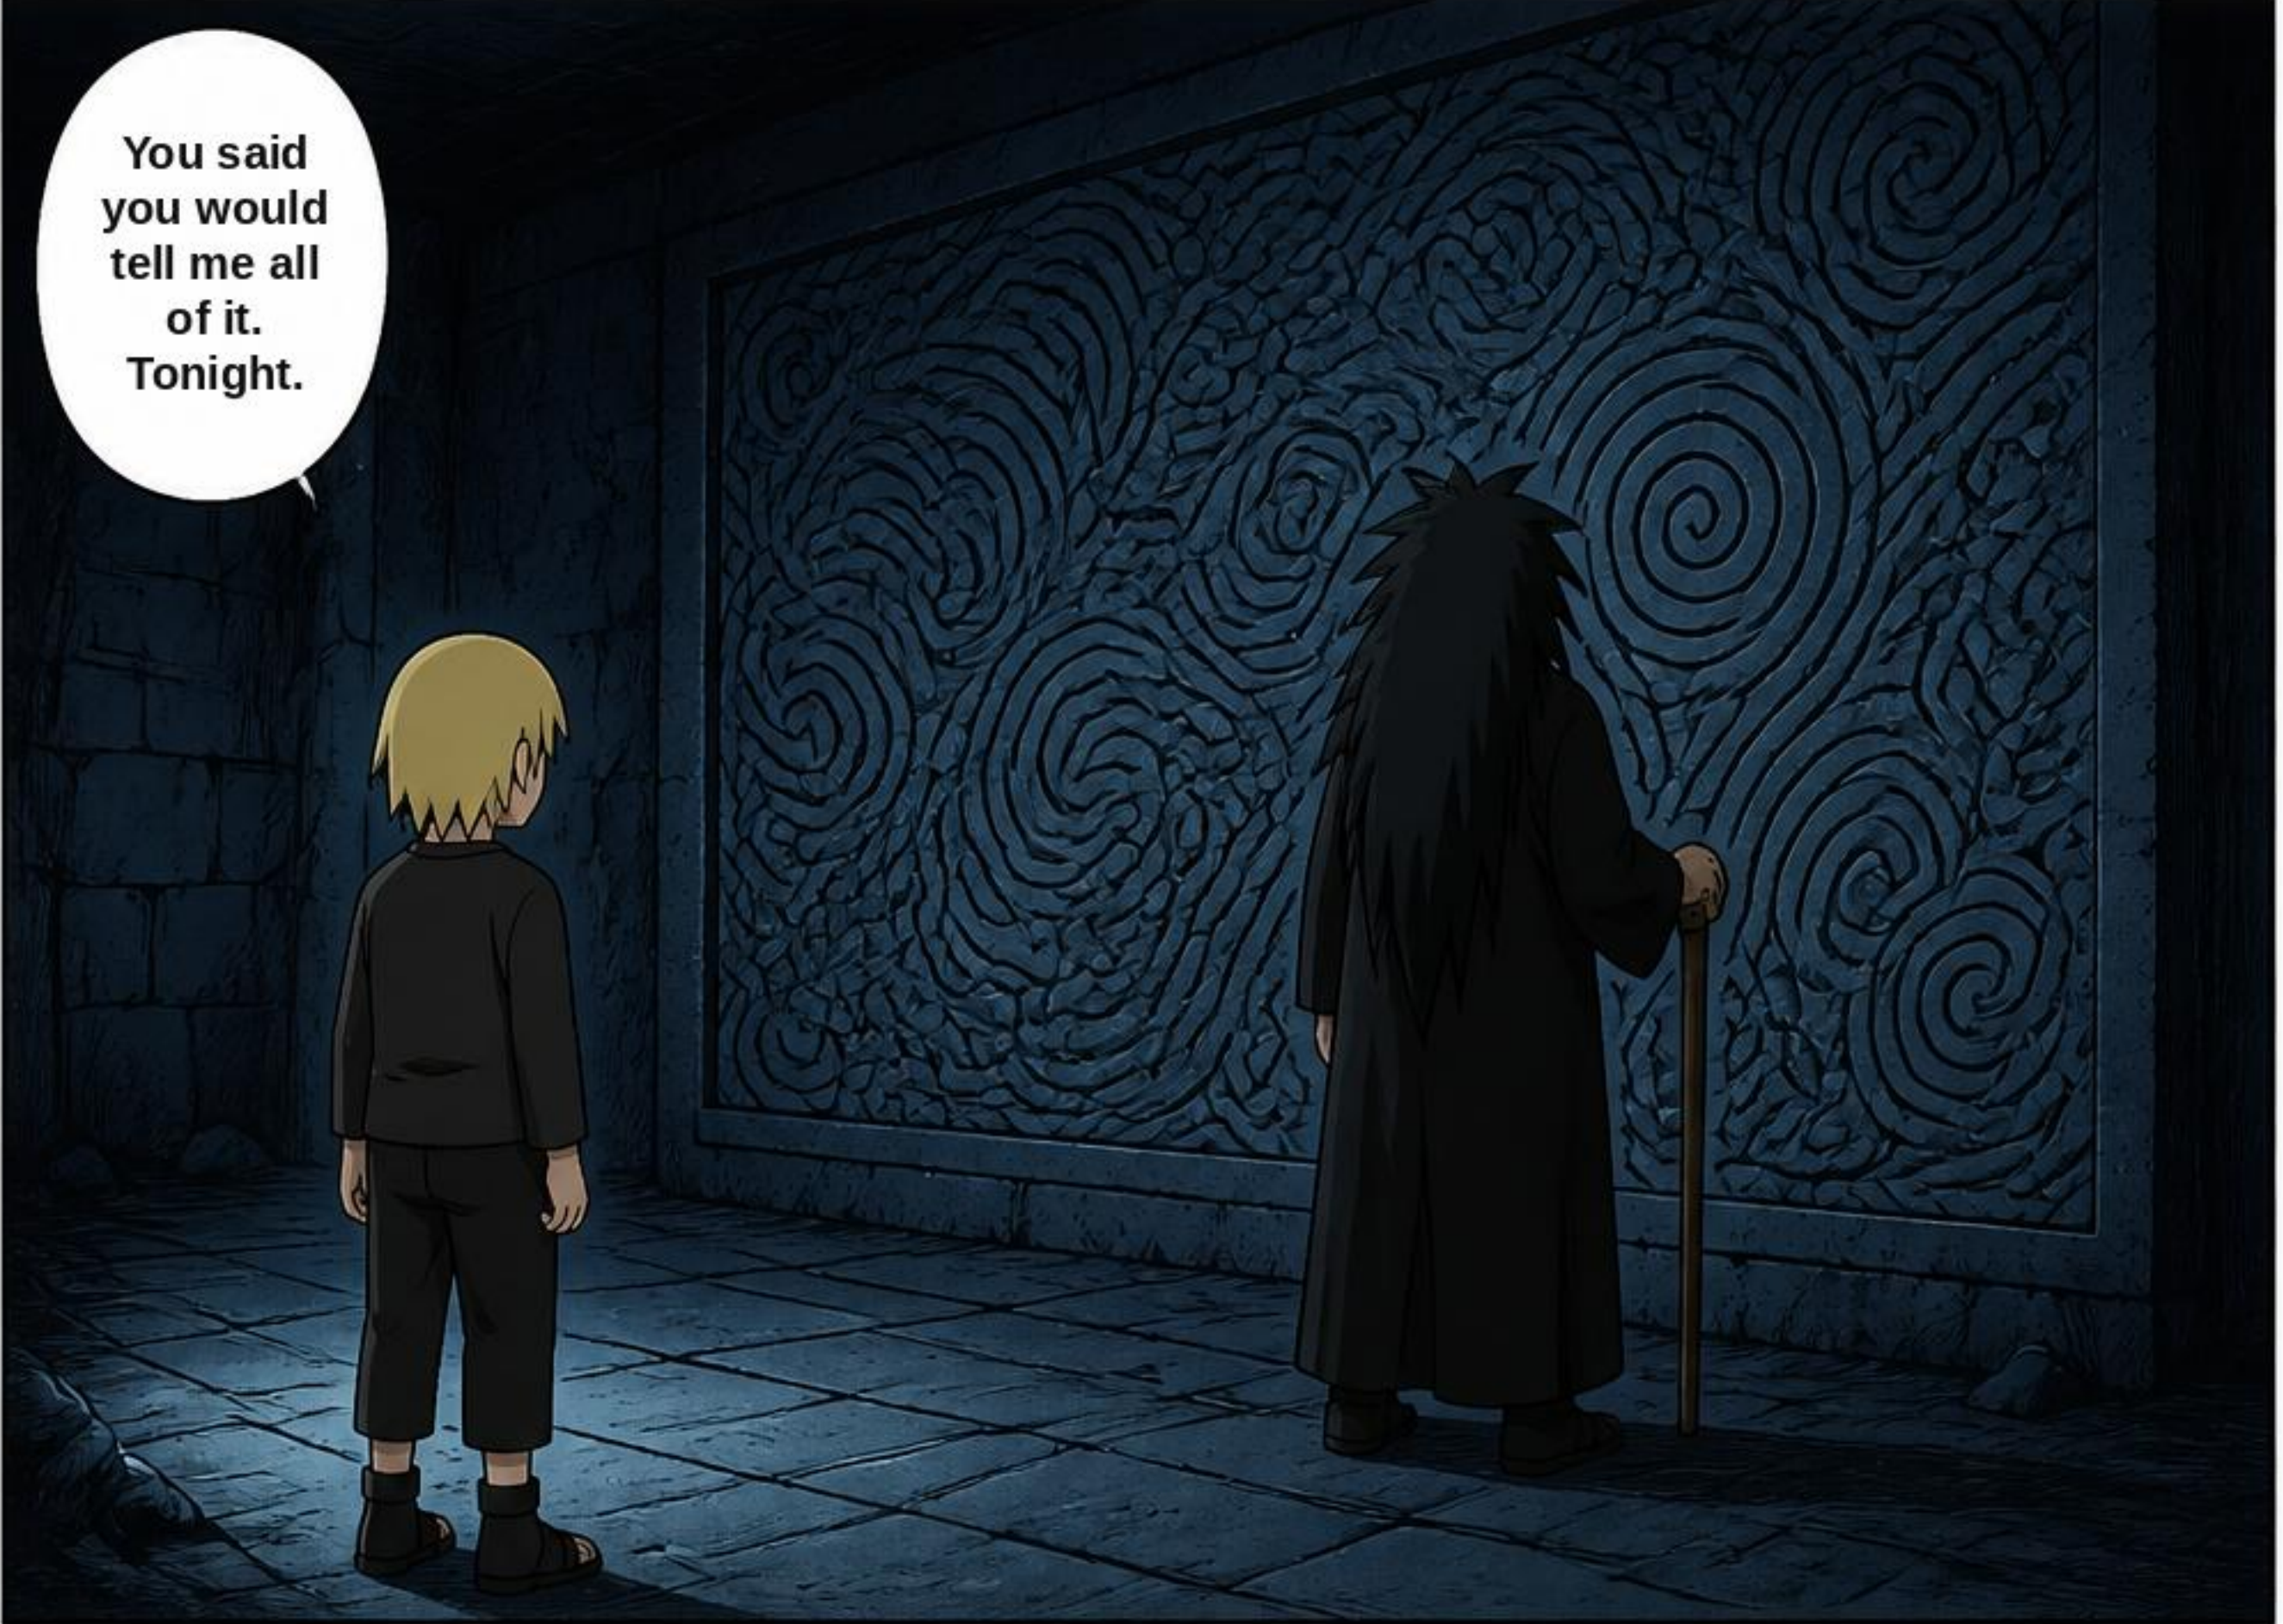

Ooh - he's dispelled the clone again. That does look like it hurts.

A year of another boy's life, arriving all at once. It will pass. It always passes.

A wide shot of a dark, stone-walled room. On the left, a young boy with blonde hair (Naruto) stands with his back to the viewer, looking towards the right. On the right, a man with long black hair and a black robe (Zoro) stands with his back to the viewer, leaning on a wooden cane. They are facing a large, rectangular wall panel covered in intricate, swirling, spiral patterns. The floor is made of large, dark stone tiles.

You said
you would
tell me all
of it.
Tonight.

A close-up of Naruto's face. He has blonde hair and red eyes with black tomoe patterns. He has a serious, slightly concerned expression. The background is dark and out of focus.

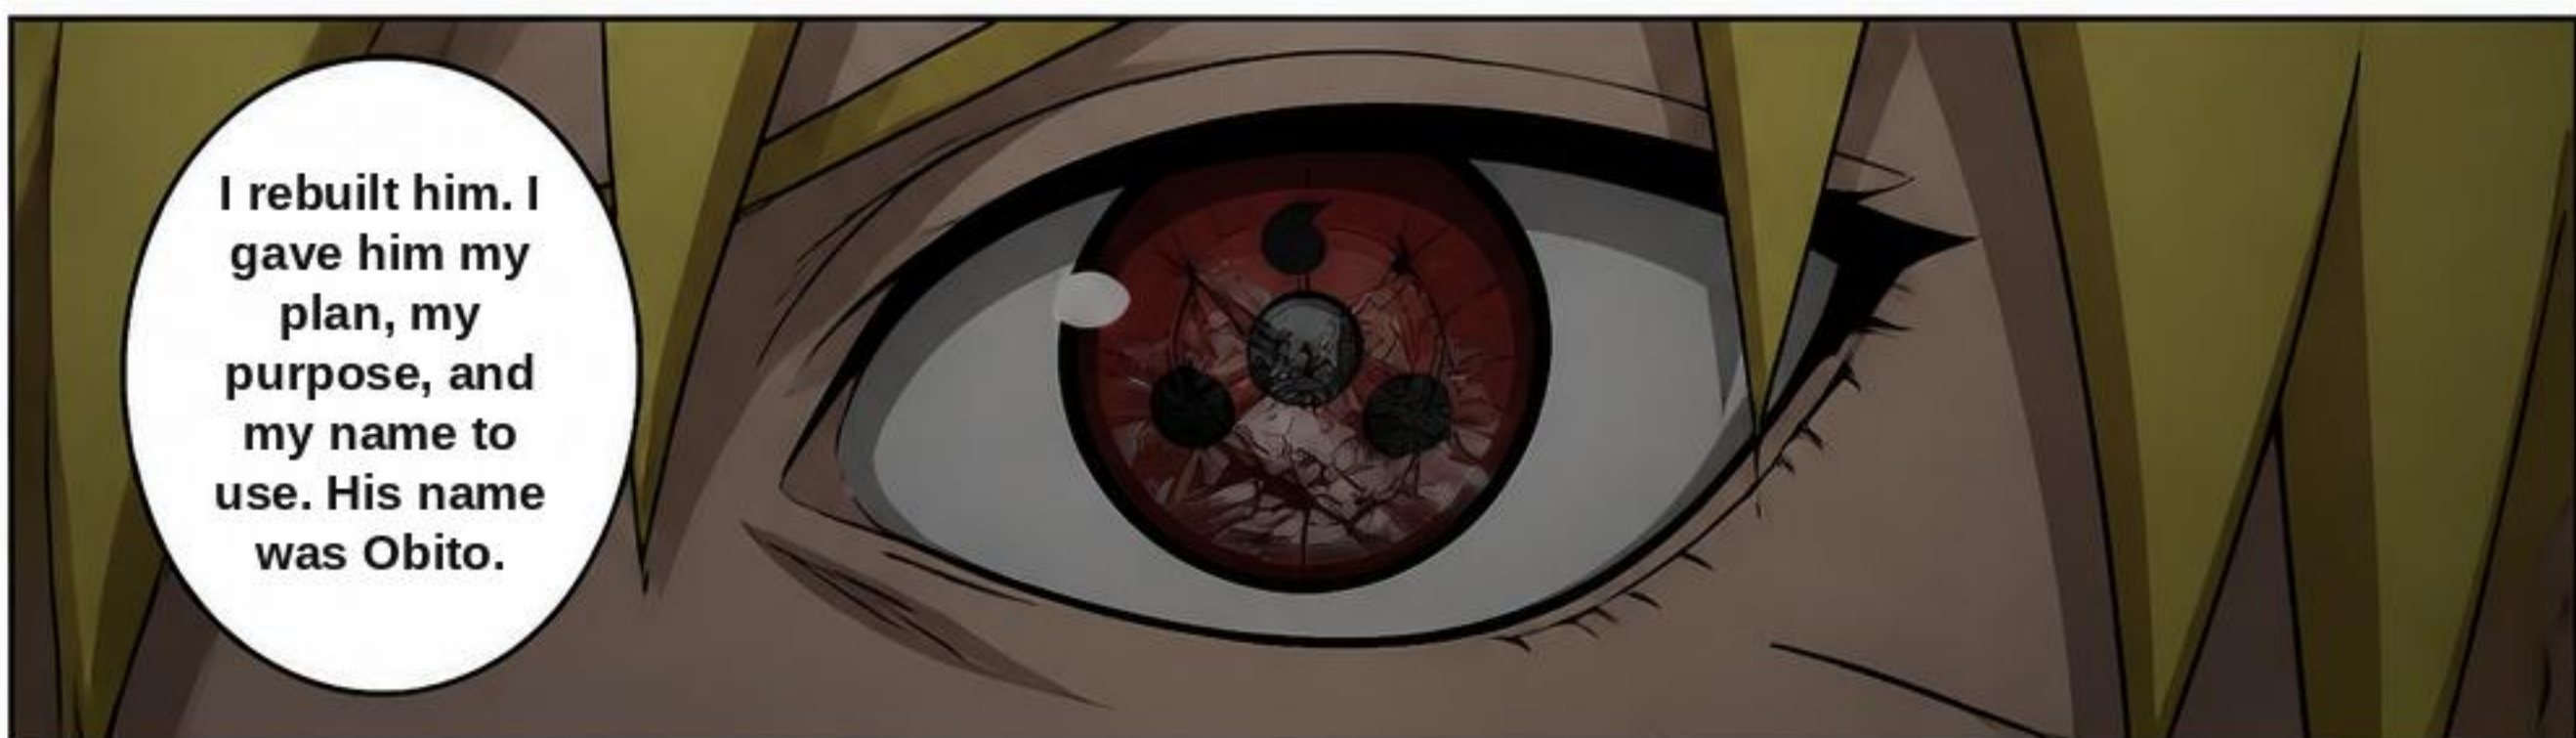

Sit. This
wall is
older
than the
village is.

I found a young Uchiha boy during the war.

Half-crushed under a landslide. Half-dead. His own team had already written him off.

I rebuilt him. I gave him my plan, my purpose, and my name to use. His name was Obito.

He built an organisation out of what I gave him. He calls it Akatsuki.

Ten of the strongest shinobi alive.

The Rinnegan I once carried sits in another man's skull now. Nagato. A boy out of Ame.

And every one of them believes they are following me.

He betrayed
me. He uses
my name to
gather the
strongest
shinobi in the
world.

Every crime
that fool
commits,
the world
files under
mine.

Then
he is a
thief.

**You are
the last
of my
blood,
Naruto.**

**What is
it you
want me
to do?**

**Take back
everything
that belongs
to me. Restore
the Uchiha.**

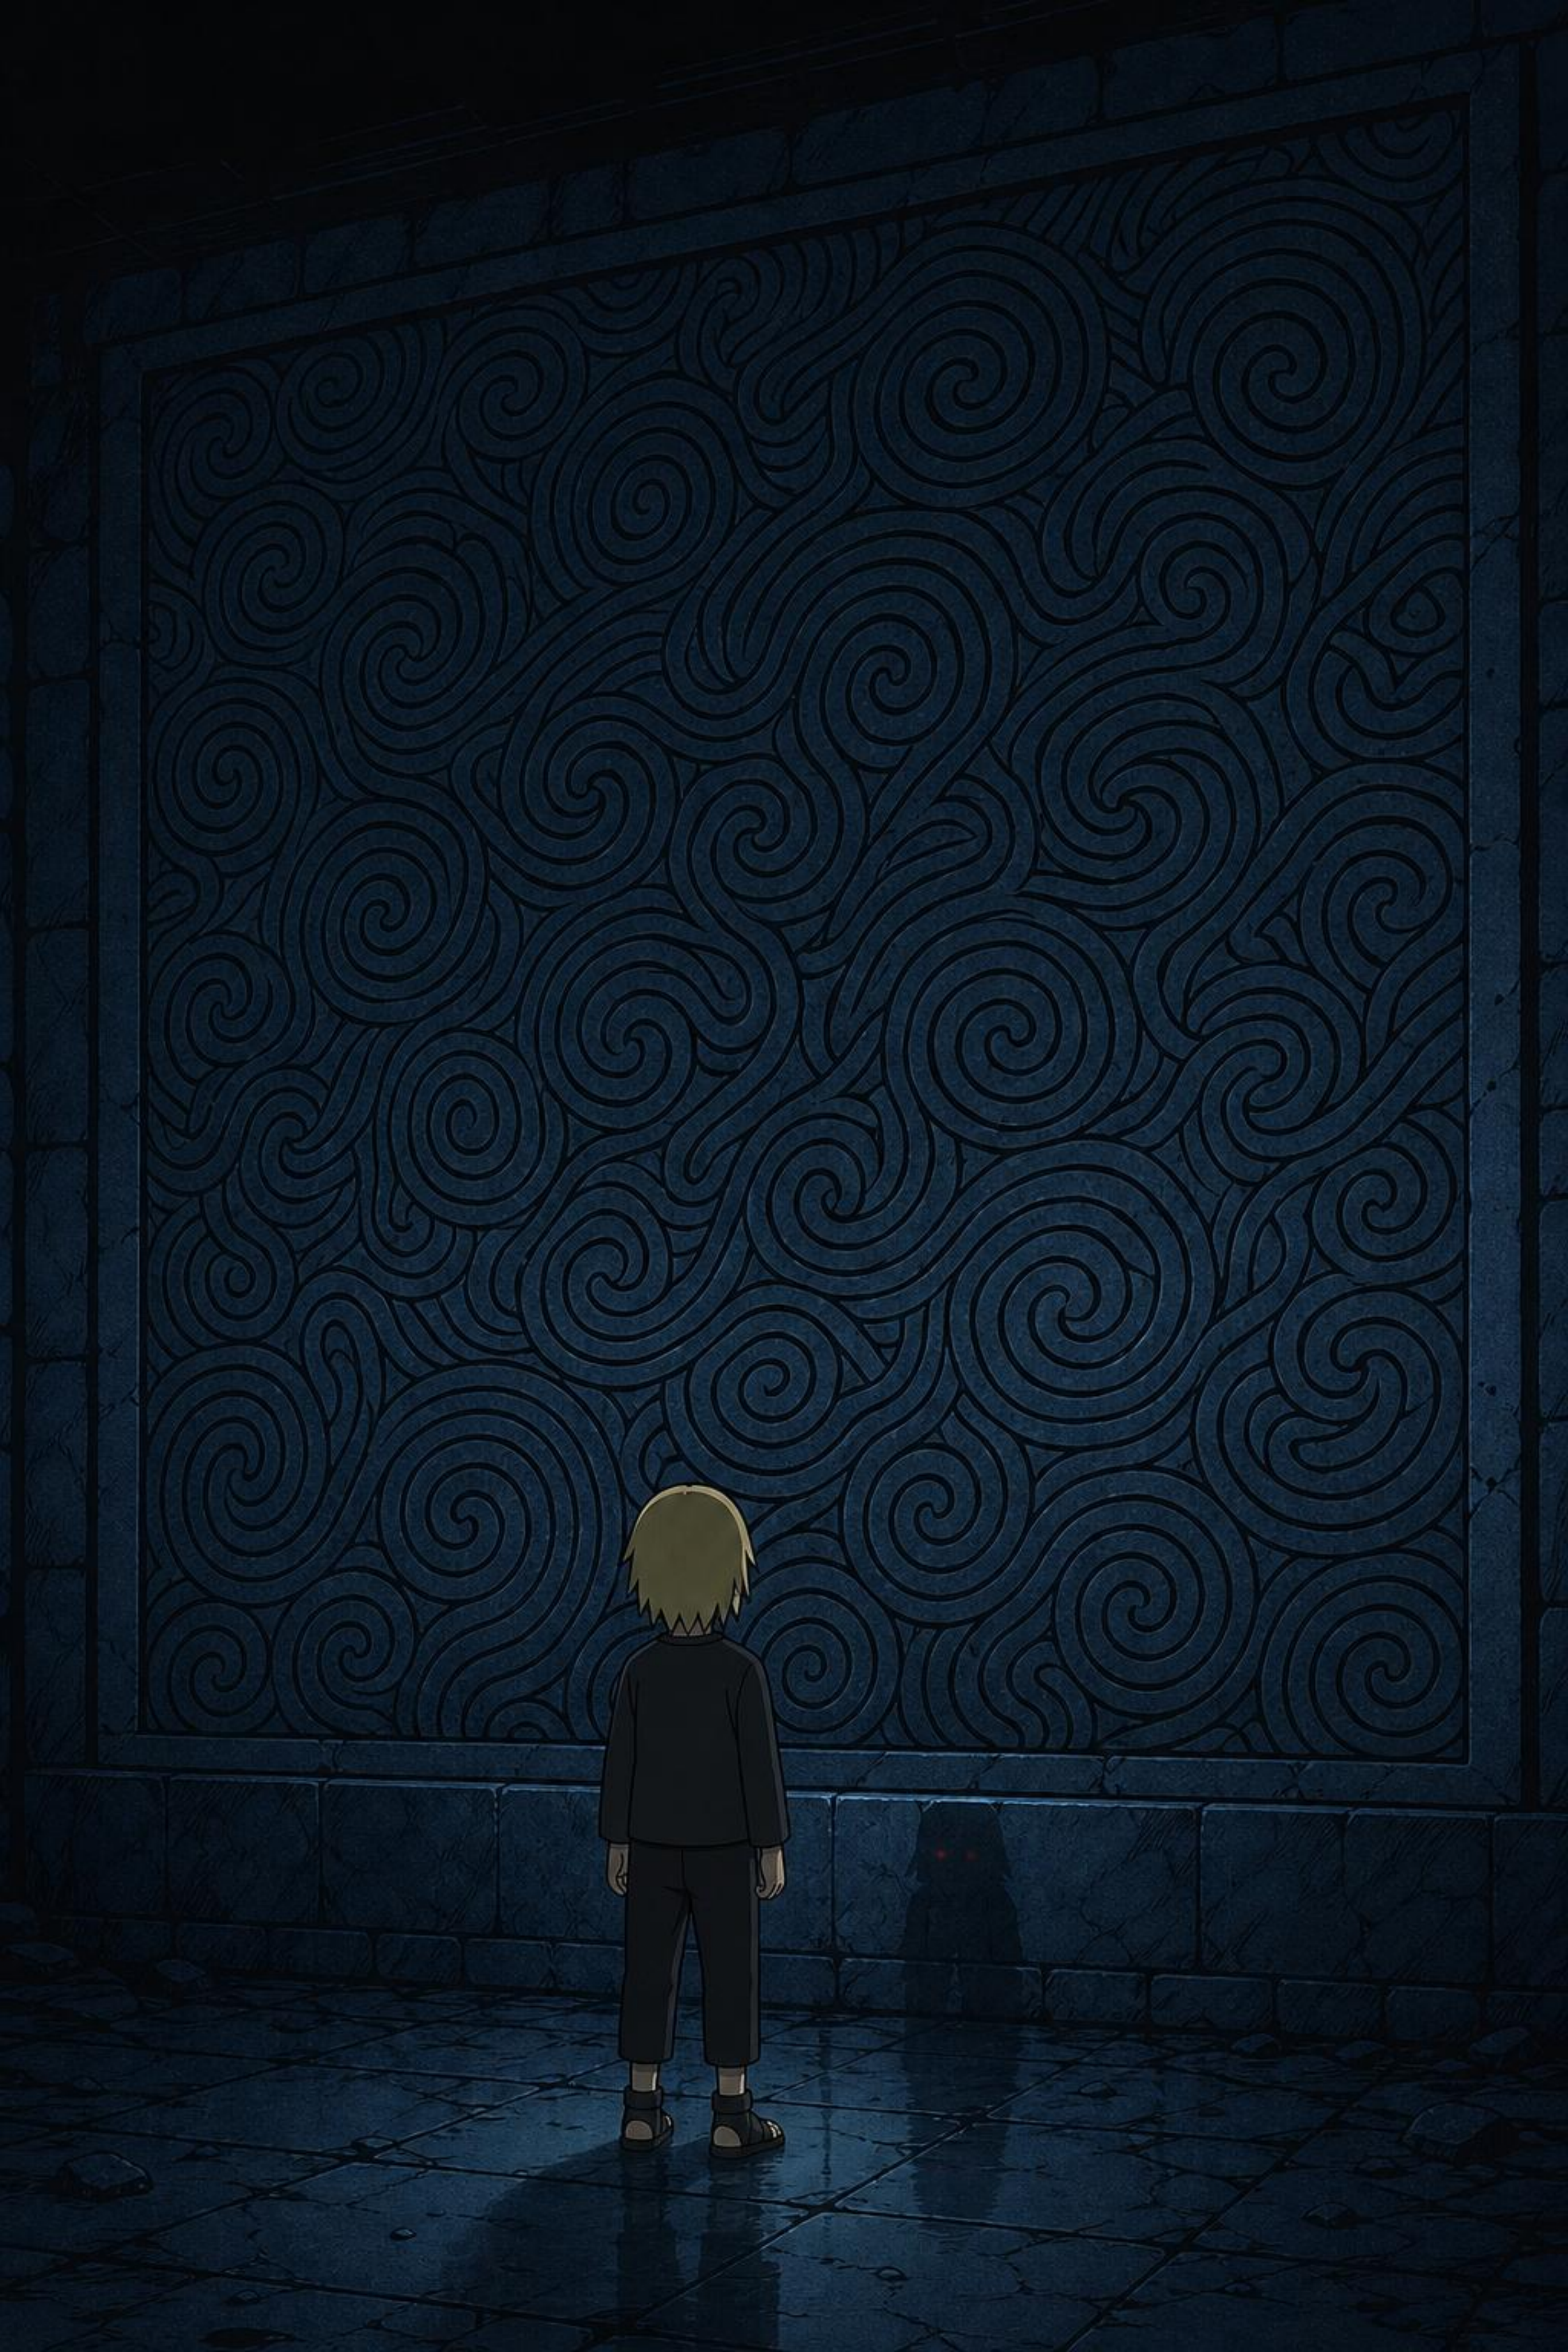

Take Konoha
from the fools
who rule it -
and if they will
not make you
Hokage, take it
by force.

And the
man
wearing
your
name?

Kill the
fool. Do
what you
like with
the
Rinnegan.

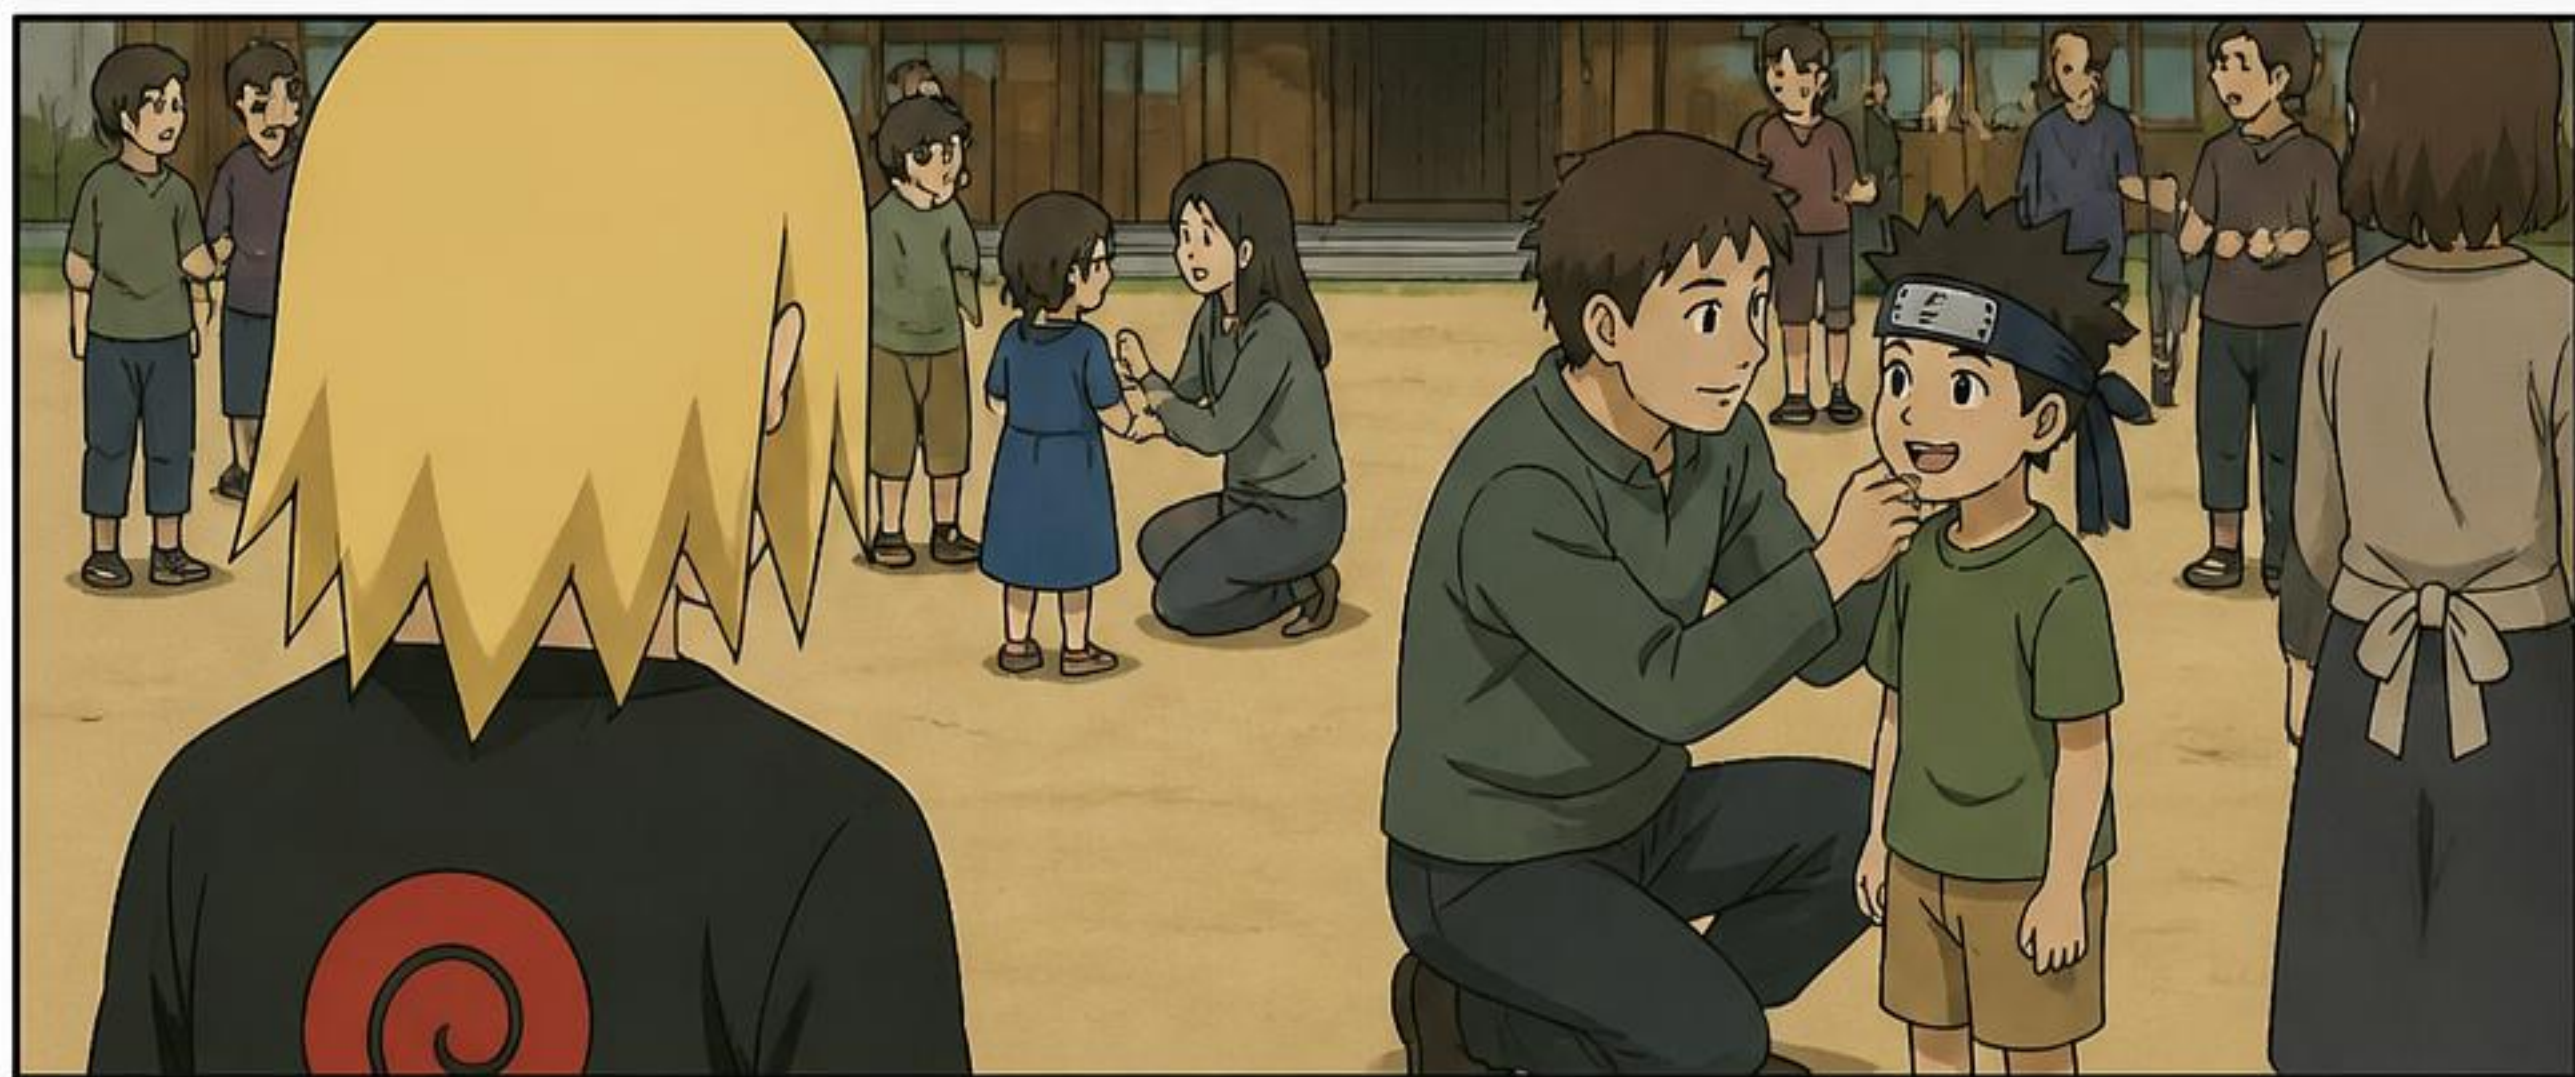

Uchiha.

**Uchiha
Naruto.**

Come closer.
There is one thing left.

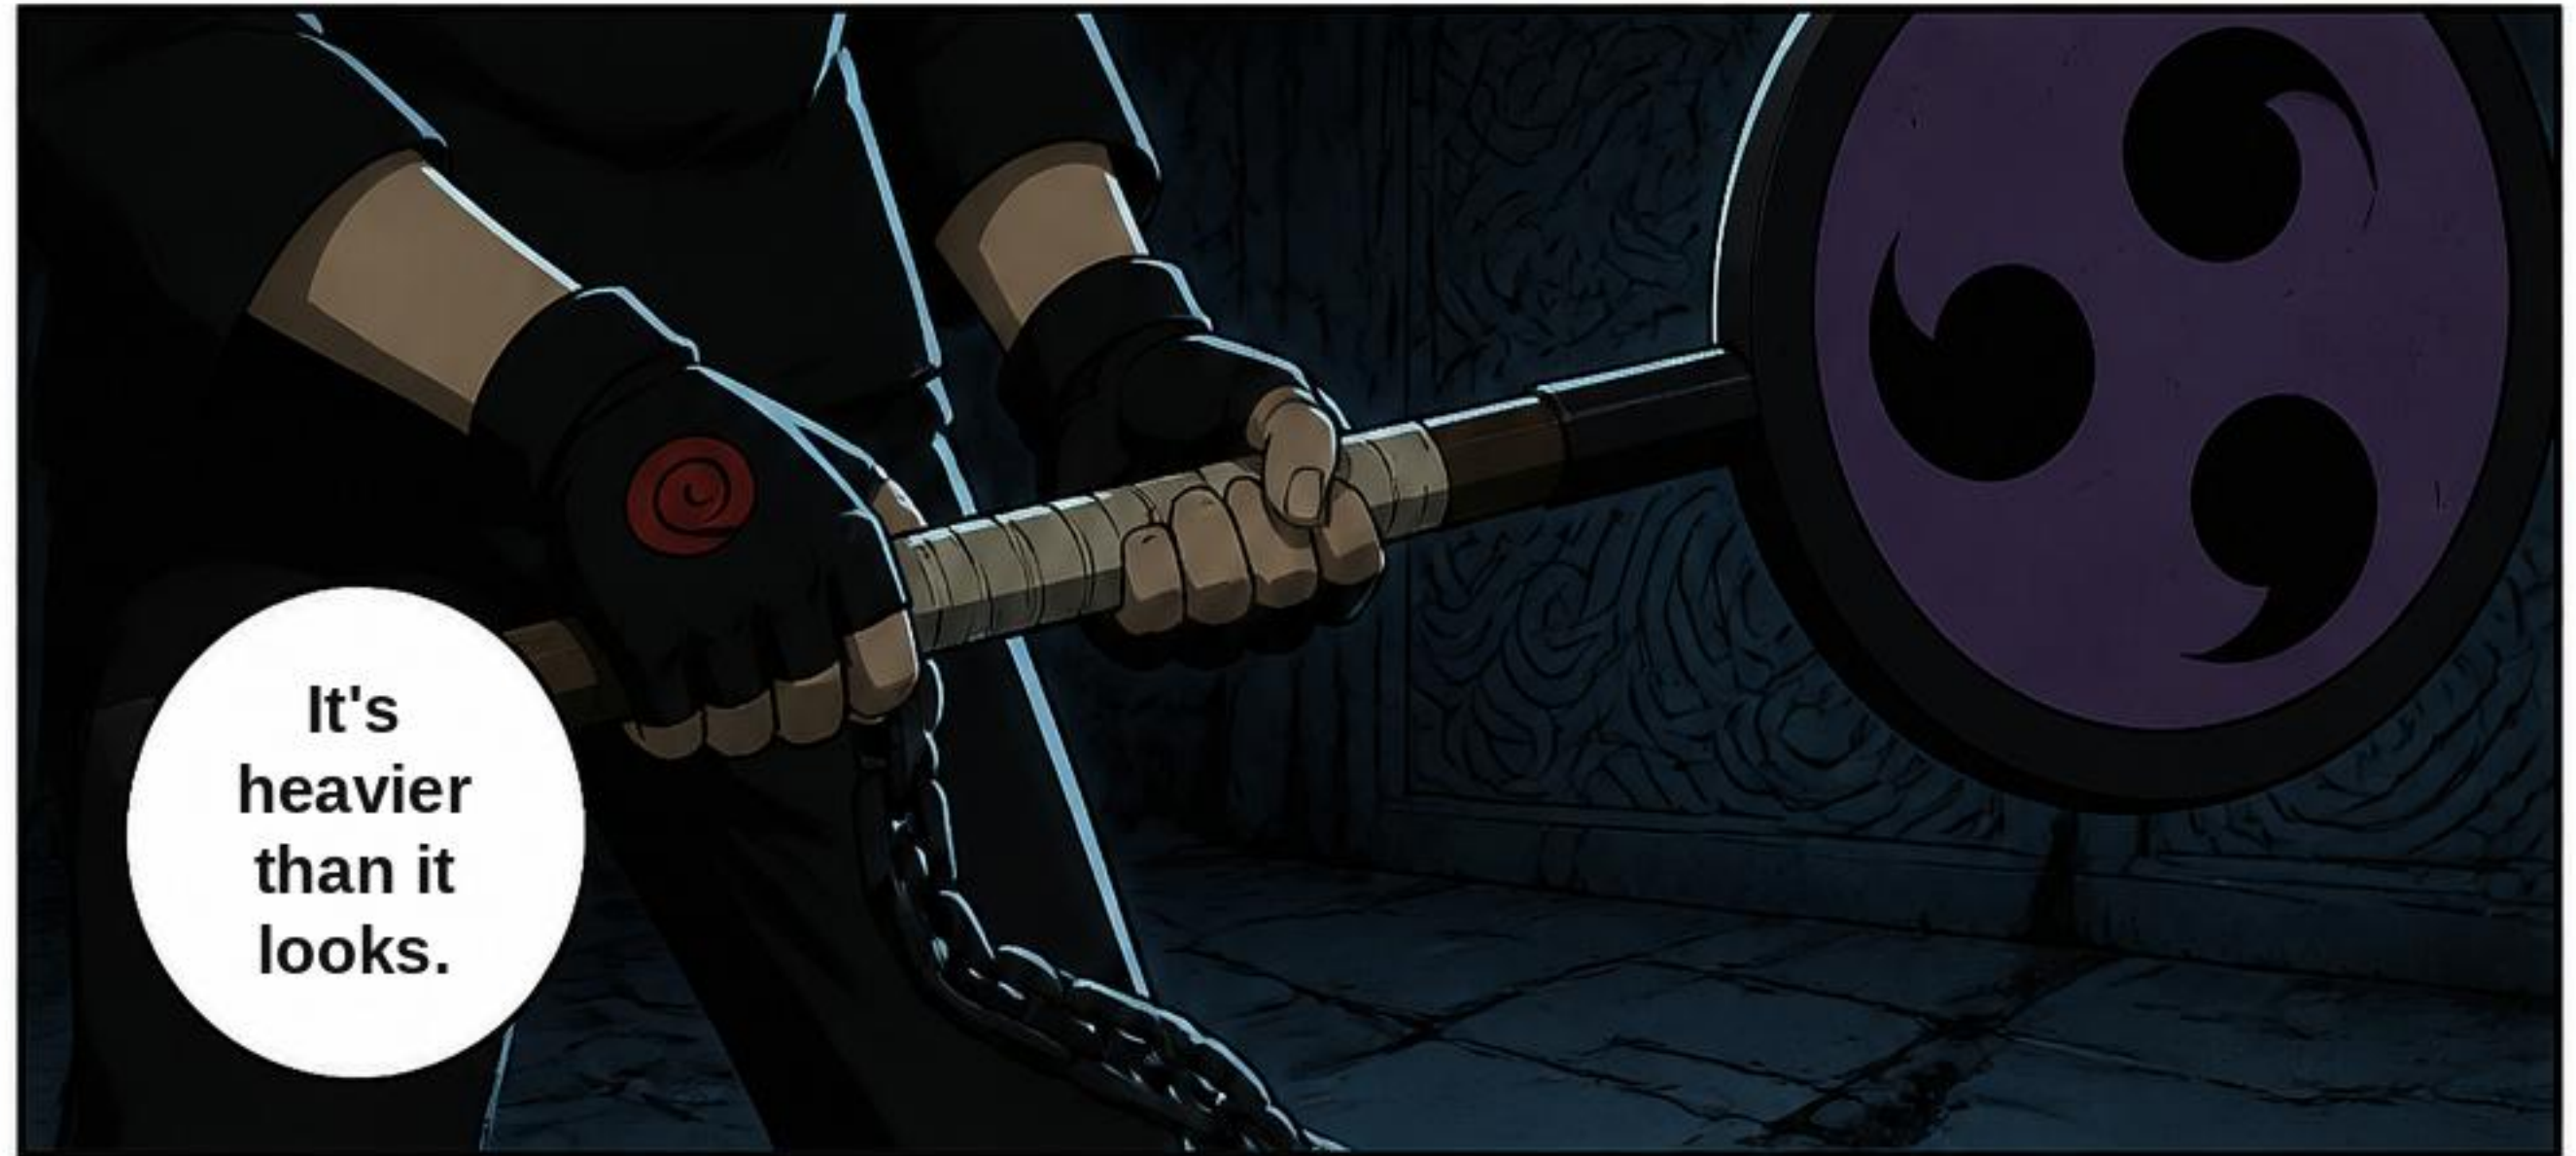

You didn't come down to the cavern this morning.

**Take
this. It is
my gift
to you.**

It's
heavier
than it
looks.

I am
proud
of you.

Never
forget
what I
taught
you.

You say
that
every
time.

Keep my
words in
your
heart.
